

PROJECT GRAD

Project Graduation is a way graduates can celebrate their accomplishments with classmates in a safe, adult supervised drug-alcohol free environment. Usually held soon after graduation commencements, the location and activities are kept as a surprise. Previous Project Grad events included boat rides, dinner at restaurants and fun activities at hotel ballrooms. To make this a successful event, we'll need to fundraise. The Project Grad committee has agreed to a \$70,000 goal for the 123 students by 2021.

Freshmen Goal = \$102 per student

- Athletic Concessions (we were awarded \$833.30) Thank you to freshmen ohana who volunteered to clean up the stadium and serve at the concession stand
- 2 Fundraisers or cash payment 'fundraiser opt out'. Payment plan available i.e. \$25/quarter, \$50/semester or \$102/year
- Need Fundraising ideas

Sophomore Goal = \$102 per student

- \$20,000 grant from Ho'olaule'a (Sophomore class to host Ho'olaule'a, parents/ohana sign up to head committees and to work shifts)
