

Student Dress Code and Appearance (2017-18)

All students are required to wear approved school uniforms on a daily basis and must meet the dress and appearance standards for each school campus (elementary, middle or high). Students are also expected to abide by appearance guidelines with respect to length and color of hair, tattoos, jewelry, etc. We ask parents to be responsible for monitoring their children's appearance on a daily basis.

Parents will be notified of any violations to the dress code. Students with repeat violations or extreme appearance may be subject to disciplinary action. All questionable dress code violators will be sent to the office for administrative decision. Results may include but not be limited to:

- Exchange uniform
- Issue warning
- Send home / item brought to school

Purchasing Uniforms

KS has selected Lands' End Inc., as its uniform supplier beginning with the 2017-2018 school year.

Uniforms sold by Lands' End will be available beginning June 1, 2017. For more information please visit the website at www.landsend.com.

Uniform Exchange and Recycling Program

A limited supply of gently-used uniforms in good condition are available for a small fee from the Parent Teacher Student 'Ohana. The PTSO holds quarterly Recycled Uniform Opportunities and these dates are shared in the Campus Daily Bulletins. Gently used uniforms may be dropped off at any campus office during the year. Parents are encouraged to make donations of school uniform items that their son or daughter grows outgrows to the school recycling project. Parents are encouraged to take advantage of this program to reduce the cost of school uniforms.
