

## Tri-campus Graduation Requirements

The Kamehameha Schools Board of Trustees recently approved a set of unified high school graduation requirements across all three campuses. The new requirements will enable KS students across the three campuses to have access to comparable and consistent educational experiences, founded on the achievement of E Ola! Learner Outcomes which will assist them as they reach their full potential as good and industrious global citizens and servant leaders.

The new graduation requirements will begin with next year’s incoming freshmen class (2022). Requirements are categorized into three areas:

- Nā Papa ‘Ikoī (core courses),
- Nā Papa Maui (electives)
- Nā Maui Hiwa (non-credit courses).
- 

The agreements set for each area align with comparable schools and meet changing college acceptance expectations. These requirements will be upheld by all campuses as minimum requirements for haumāna to earn a Kamehameha Schools diploma beginning with the class of 2022. The tri-campus graduation requirements are shown in the tables below.

Nā Papa ‘Ikoī	
Core Subject	19.5 Credits
English	4
