Pick a Non fiction Book to **READ**
can be a book from home or from the Scholastic Learn at Home website (go to Enrichment tab to find)

**TALK** about the **BOOK**
Use a Circle Map to record the ideas shared

**PLAN**
think about how to start the writing, what facts to share and how to end the writing

**WRITE**
use your plan to write your complete sentences about the book

**SHARE**
read your writing with someone in your family or share over the phone to someone.

**TALK:**
Ask and discuss:
- What was this book about?
- What facts did you learn?
- What was interesting?
- What was surprising to you?

You can make a Circle Map to write in the facts (just words or phrases) you learned in the book. It looks like this:

**PLAN:**
- Introduce the topic - the books
- Share facts you learned - use from the Circle Map
- Closing

**WRITE:**
Might look like:

We read a book called *A Spiderling Grows Up*.

First, a spiderling is a baby spider. They hatch from egg sacs. Also, they have fangs and use them to cut open the egg sacs.

That's what I learned about Spiderlings.
