

Pick a Non fiction Book to READ
can be a book from home or from the Scholastic Learn at Home website (go to Enrichment tab to find)

TALK about the **BOOK**
Use a Circle Map to record the ideas shared

TALK:
Ask and discuss:

- What was this book about?
- What facts did you learn?
- What was interesting?
- What was surprising to you?

You can make a Circle Map to write in the facts (just words or phrases) you learned in the book. It looks like this:

PLAN:

- Introduce the topic- the books
- Share facts you learned- use from the Circle Map
- Closing-

WRITE:
Might look like:

We read a book called A Spiderling Grows Up.

First, a spiderling is a baby spider. They hatch from egg sacs. Also, they have fangs and use them to cut open the egg sacs.

That's what I learned about Spiderlings.

PLAN
think about how to start the writing, what facts to share and how to end the writing

WRITE
use your plan to write your complete sentences about the book

SHARE
read your writing with someone in your family or share over the phone to someone.
