JOSTENS RING SIZER GUIDE

For accuracy, please ensure that you print this PDF at 100%

PAPER TEST

1. Cut out the paper sizer. Cut a small slit in the end for the ring sizer marks to slide through.
2. Slip the pointed end through the slit and place it around your finger.
3. For an accurate measurement, pull the end so it slides to a snug fit. Make sure that you are able to get this over your knuckle and back off your finger.
4. Read the number that lines up next to the slit. This is your ring size.

Tips: Be careful not to wrap the paper too tight. Aim for a comfortable, snug fit. For the most accuracy, have someone help you measure.

DOUBLE CHECK FOR ACCURACY.

STRING TEST

1. Cut a small piece of string, thicker thread or ribbon.
2. Wrap it snugly around your finger for an accurate measurement.
3. Compare your measurement with our ring sizing chart below.

EXISTING RING TEST

1. Choose a ring that fits the desired finger.
2. Match the inside edge of the ring with the closet circle.
3. The circle should fit inside of the ring. If the ring falls between two sizes, select the larger size.

All rings purchased on Jostens.com come with a Limited Lifetime warranty which includes free ring resizing.

Jostens

Extended Ring Protection

Protect Your Valuable Investment For Up To 10 Years

Jostens automatically protects your class ring from loss or theft for 4 years from ship date. However, for just \$20.89, you can protect your investment with the Extended Ring Protection Plan. For just a fraction of the original cost, we'll replace your lost ring **two times** over a coverage period of 10 years.

Details

Two possible replacements:

If your Jostens high school class ring is lost or stolen and you report it to Jostens within four (4) years from the ship date of your original order, Jostens will provide you with a replacement ring of the same design under the normal High School Ring Protection Plan. A replacement charge (plus tax and handling) will apply and may vary, but it will always be a fraction of the original cost of your ring. You may also submit one **additional** claim under the Extended Ring Protection plan for rings lost or stolen within 10 years of the ship date. That is two possible ring replacements under the extended plan.

Should you experience a qualifying loss or theft, please notify Jostens at the following address, toll-free number or go online to initiate the processing of your claim:
