To: All Kamehameha Schools High School `Ohana
From: Phil Aganus, Vice Principal, High School
Re: Student driving applications and permits

Aloha All! Students interested in driving to school this coming year must complete the following to earn this privilege:

- Student drivers' application for the 2025-2026 school year (copies available at the high school office, Student Activities Center or online at http://www.ksbe.edu/education/hawaii/high_school/).
- Attend a student drivers' orientation. These will be held at the following dates/times:
 - **Thursday, July 17th, from 8-9am or 3-4pm via Zoom (meeting link will be forwarded at a later date)**
- Provide copies of your current driver's license, vehicle(s) registration, safety check card(s) and liability insurance card(s).
- **Payment of \$5.00 for parking permit. (Cash preferred. Checks made payable to Kamehameha Schools)**

Student attendance for the orientation session is **mandatory** for all students wanting to drive to school. Students unable to attend these sessions will not be allowed to drive to school. **Previous year's student parking passes are expired and will not be honored. Parent and Staff parking passes will also not be honored for students driving to school.**

At these orientations, the Kamehameha Schools Hawai'i's student drivers' manual will be reviewed and instructions on obtaining your student parking permits will be shared.

Parent may also choose to attend this meeting online with their child but are not required to do so.

Students, please sign up for the online orientation via this link:

<https://bit.ly/44dNFQ0>

We look forward to seeing all of you at our orientation.

Mahalo
