Our Mo'olelo of Innovation

“As a kula it is our shared kuleana to advance learning for haumāna in an environment that is experiencing rapidly accelerating change from Hawai'i Island communities to distant global nations. We are inspired by our kupuna and their tradition of innovation and are blessed today with hoā kumu and 'ohana who are committed to innovation in learning that points to bright futures for our haumāna. Our greatest opportunity as a kula is to accelerate change from within to create new energy and capacity for sustained success.”

M. KĀHEALANI NAE'OLE WONG, PO'O KULA, KAMEHAMEHA SCHOOLS HAWAI'I

While innovation is not new at Kamehameha Schools Hawai'i, our challenge today is to prepare haumāna for success in the unknown world of tomorrow. How do we equip and empower our learners to actively shape what lies ahead? Our answer is *'Ōiwi Edge*.

'Ōiwi Edge is a mindset that is imbued with a source of mana and inspiration for our haumāna, kumu, and 'ohana, encouraging them to be trailblazers, fueled by vision and courage. *'Ōiwi Edge* is a perspective for dealing with challenges in a culturally-grounded, resilient, adaptive way, bridging modern and traditional viewpoints. *'Ōiwi Edge* learners and leaders gain great strength from their identity as 'oiwi Hawai'i and discover and ignite their unique passions as a means to fully engage their kuleana in ways that serve and uplift their 'ohana, lāhui and world. Inspired by Hawai'i Island's unique landscape, its people, and Ke Ali'i Pauahi's heritage here on this mokupuni, *'Ōiwi Edge* is a defining element of our campus identity. It serves as a foundation for growth, perseverance, and innovation as our kula moves toward new frameworks and pathways for learning.

As Kamehameha Schools Hawai'i continues to raise the bar of academic and cultural success for our haumāna, we are developing new capacities for strategic and sustainable change to best prepare learners to thrive in an ever-evolving world. Our kula has embedded a school-wide Research and Development (R&D) engine to harness the speed, agility, and focus that comes from the change environment we see in our school and use it to fuel new innovations to launch important, compelling learning environments in which our haumāna will thrive.

Hālau Kupukupu contributes to this shared work as a dedicated space for R&D in *'Ōiwi Edge* learning and teaching. Our summer academies serve as laboratory spaces where kumu, haumāna, and 'ohana contribute to new, evidence-based instructional prototypes. Data and insights gathered from this collaborative effort will feed into accelerated levels of learning for our program, campus, and various stakeholder communities.

Letter from the Po'o Kula and Po'o Kumu

‘A‘ohe hala ‘ula i ka pō.

BEAUTY MUST BE SEEN TO BE ENJOYED.

—MARY KAWENA PUKUI 137

E nā hoa makamaka mai kahi pae a kahi pae o kēia ‘āina aloha, welina ke aloha,

We invite you to experience ‘*Ōiwi Edge* summer learning at Kamehameha Schools Hawai‘i in this ‘āina aloha of Kea‘au, Puna!

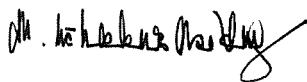

Imbued with the mana of this special place, of Ke Ali‘i Pauahi’s heritage, of the many generations of heroes and innovators who shaped our communities, and of our own kupuna, ‘*Ōiwi Edge* empowers us with ancestral knowledge and mindsets to meet a rapidly changing and incredibly challenging world with strength, agility, and courage.

A nexus of collaboration and innovation for our kula, our summer academies promise to inspire passion for learning, excellence, and generational and global responsibility. Our teams of dynamic educators are designing incredible experiences that uncover the magic and hidden possibilities of summer learning for students in grades K–8.

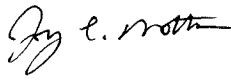

Our guiding theme this year, ‘*A‘ohe hala ‘ula i ka pō*, calls us to embrace our kuleana as ‘ōiwi scholars, to learn and understand deeply as a way to amplify our kanaka lens. In doing so, we notice intricate relationships and patterns across space and time, illuminating the elusive hala ‘ula (red hala) or profound wisdom that is commonly unobserved. Anyone can see the hala ‘ula in the day, but can one see it in the night?

We welcome your keiki and ‘ōpio to join us this summer for a journey of discovery as they learn and grow in innovative and exciting courses at all levels. Please register early for the course(s) of your choice as spaces tend to fill quickly. If you have any questions or mana‘o regarding our summer academies, please call 982.0033 or email halaukupukupu@ksbe.edu.

Me ke aloha ‘imi na‘auao ē,

M. Kāhealani Nae‘ole-Wong

Kupukupu means to “sprout” or “grow.” Knowledge and ideas can kupukupu, just like leaves and blossoms. Kupukupu is also a native fern. On newly created ‘āina, it is one of the first plants to grow—a pioneer species—that initiates and accelerates the growth of a new forest. Over time, kupukupu forms a lush undergrowth, serving as a foundation for a healthy, vibrant ecosystem.

Like kupukupu, we incubate and accelerate innovative Hawaiian culture-based learning and compelling learning environments. By honoring a continuum of genealogy, stories, journeys and values, we nourish, grow and inspire ‘Ōiwi Hawai‘i learners and leaders who contribute to the vitality of our ‘āina, ‘ohana and communities throughout Hawai‘i and beyond.
