HAWAI'I
KULA WAENA

Aloha e nā mākou,

As we prepare for the start of the 2021 – 2022 school year, we'd like to take this time to thank you for your support of our 1:1 laptop program. We will be distributing laptops to all students on the first day of school, Thursday, August 05, 2021. Keep in mind that laptop bags will not be provided this year. Please see your school supply list for the recommended backpack with padded electronic storage pocket to safely protect the laptop during the daily activities of the school year. Students may take their laptops home on August 05th, provided the requirements below have been successfully completed.

Please complete the **mandatory** online student and parent trainings at the links below. Returning students and parents must complete these trainings every year. **Please use a computer to complete the training, as it will not work properly on a mobile device.** You will need to complete the training using the most current version of one of these web browsers: Firefox, Google Chrome, or Safari.

Parent Training Assessment *(If you have more than one child attending KS, you will only need to complete this training once. Only one (1) parent per household needs to complete the training. This training will take approximately 10 minutes to complete.)*
