Aloha mai kākou,

We were notified today that one staff member has tested positive for COVID-19. Based on the information we received, we've communicated with all kumu and haumāna that may potentially be a close contact in this cases. If you haven't received quarantine instructions from us directly, you have not been impacted.

We all have kuleana to help reduce the spread of this virus in our community. With the number of COVID cases on Maui continuing to fluctuate, we urge kumu, staff and haumāna to get vaccinated and/or participate in our COVID surveillance testing.

As a reminder, if you're experiencing any symptoms of illness, stay home and consult with your primary care physician. For up-to-date information on our health and safety protocols, please visit https://www.ksbe.edu/health_updates/maui/.

Please know KS Maui leadership is working diligently to keep our haumāna, staff and wider community safe.

E mālama pono!
