Ke Aliʻi Bernice Pauahi Bishop was the great-granddaughter and last direct royal descendant of Kamehameha I. During her lifetime, she witnessed a rapid decline of the Hawaiian population. With that decline came a loss of Hawaiian language, religion, customs and most of all...spirit.

Despite the dire condition of her homeland and its people, Pauahi envisioned a brighter future for Hawaiians. With the support of her husband Charles Reed Bishop, Ke Aliʻi Pauahi articulated her vision in her last will and testament. She placed more than 375,000 acres of inherited Kamehameha lands in a perpetual endowment with one purpose: to create schools to improve the capability and well-being of Hawaiians.

In 1887, three years after her death, Ke Aliʻi Pauahi’s vision became reality with the opening of the Kamehameha School for Boys. Seven years later, the Kamehameha Schools for Girls was established. In the years that followed, students acquired the skills and knowledge necessary to weather the changes brought about by western civilization, helping Hawaiians find their place in the new society.

Today, Kamehameha Schools is the largest private landowner in the state of Hawaiʻi. Income generated from its residential, commercial and resort leases, as well as diverse investments fund the schools’ educational programs and services.

Kamehameha Schools currently operates K-12 campuses on Oʻahu, Maui and Hawaiʻi Island with a total enrollment of 5,400 keiki. It also operates 29 preschool sites enrolling 1,600 keiki. KS subsidizes a significant portion of the cost to educate each of its students. Although a modest annual tuition is charged, nearly 60 percent of preschool and K-12 families qualify for need-based financial aid.

In addition to its preschool and K-12 programs, KS also serves thousands of additional learners by providing educational opportunities through summer enrichment programs, community education programs, financial aid and post-high scholarships.

Christian and Native Hawaiian cultural values and practices and service learning are integral to KS programs both on campus and in the community. It is the policy of Kamehameha Schools to give preference to applicants of Hawaiian ancestry to the extent permitted by law.

About Kamehameha Schools Maui

Founded in 1883 by Princess Bernice Pauahi Bishop, great-granddaughter of Kamehameha the Great, Kamehameha Schools (KS) exists to advance the well-being of Native Hawaiians by providing high quality educational opportunities. KS is an organization committed to educational excellence and high levels of achievement through distinguished teaching and rigorous learning which leads to world class educational outcomes, and the renewed vibrancy of Hawai‘i’s indigenous people and their lifelong success in the 21st century.

Established in 1996, Kamehameha Schools Maui (KSM) is one of three K-12 campuses in the Kamehameha Schools Educational System. KSM enrolls over 1,000 K-12 students on a well-equipped, 180-acre campus located in Pukalani. Grounded in its Hawaiian and Christian values and committed to the revitalization and perpetuation of Hawaiian culture, the school offers a comprehensive college preparatory curriculum which includes the study of Hawaiian culture and language, as well as character education and religious instruction. KS Maui is an impressive learning community with a well-defined vision and the physical, financial, and human resources necessary to realize an ambitious agenda of continuous improvement and student success.

Our Kahua

_Ua lehulehu a manomano ka ʻikena a ka Hawaiʻi._
(Great and numerous is the knowledge of the Hawaiians.)
— Mary Kawena Pukui

Established in the wisdom of our kūpuna, and embracing the uniqueness of each learner, Kamehameha Schools Hawaiian culture-based education serves to strengthen the capability and well-being of Native Hawaiian learners. With Hawaiian and Christian values as our foundation, students learn through and about Hawaiian culture to acquire a broad range of Hawaiian perspectives and world knowledge. KS prepares learners to lead successful and fulfilling lives, while they engage and compete in ways that contribute to our Lāhui and enrich humankind.

We believe a vibrant Lāhui Hawai‘i (Hawaiian people), steeped in ‘Ike Hawai‘i (ancestral wisdom) and rooted in ‘Ōlelo Hawai‘i (their mother tongue), will thrive in a living Nohona Hawai‘i (Hawaiian culture).

Since its founding, KS has become a symbol of educational excellence, graduating more than 25,000 young men and women. Like their benefactor, KS graduates are expected to care for their families, serve their communities, and apply their knowledge, skills and rich cultural heritage to enhance and benefit Hawai‘i and the larger world.
MISSION, VISION AND VALUES

Mission
Kamehameha Schools’ mission is to fulfill Pauahi’s desire to create educational opportunities in perpetuity to improve the capability and well-being of people of Hawaiian ancestry.

Vision
Within a generation of 25 years, we see a thriving Lāhui where our learners achieve postsecondary educational success, enabling good life and career choices. We also envision that our learners will be grounded in Christian and Hawaiian values and will be leaders who contribute to their communities, both locally and globally.

Values
Kamehameha Schools is grounded in the Christian and Hawaiian values embraced by Pauahi. These core values are aloha (to have compassion and empathy); ʻimi naʻauao (to seek wisdom); mālama (to care for and protect); ʻike pono (to know and do what is right); kuleana (to take responsibility); hoʻomau (to preserve and perpetuate); and haʻahaʻa (to be humble).

Guiding Attitudes and Practices
We will emphasize mission-critical attitudes and practices necessary to take Kamehameha Schools forward boldly and aggressively toward higher goals. From the lives of Pauahi and her great-grandfather Kamehameha, we find inspiration in the ways they met new challenges during times of change. The following attitudes and practice are essential for our learners and our organization to succeed in an increasingly competitive world:

- Strive for greatness – Kūlia i ka nuʻu
- Work with urgency and discipline – ʻEleu ma ka hana me ke akahele pū
- Develop strong, effective, and accountable leadership – Kahukahu alakaʻina
- Build strength – Hoʻoikaika mau
- Be innovative – ʻImi hakuhia
- Be courageous – Kū ikoa
- Be focused – Kia manaʻo
K-12 Educational Program

Overview

Kamehameha Schools envisions by 2040 a thriving Lāhui in which learners achieve postsecondary educational success that enables good life and career choices, and positions them to lead and contribute to their communities, both locally and globally.

Accredited by the Western Association of Schools and Colleges and the Hawai‘i Association of Independent Schools Association (HAIS), Kamehameha Schools leads the nation in the number of National Board Certified teachers at an independent school.

Cultural principles of Hawaiian Identity serve as a foundation for all we do at KS. KSM promotes the practice and perpetuation of Hawaiian worldviews, culture and ʻōlelo through:

Kūlia i ka nuʻu (strive to reach the summit): Distinguished teaching, learning and leadership practice that is cultural; values and responds to the unique moʻolelo of Hawai‘i; strengthens the aspirations of each learner; and values both professional learning opportunities and peer collaborations.

Ma ka hana ka ‘ike (knowledge to be gained through work): Well-designed learning environments that support effective Hawaiian culture-based education (e.g., practices and content); provide for the interaction of diverse people and ideas; and promote the effective development of the whole learner (physically, mentally, emotionally, culturally and spiritually).

Ka ʻike a ka makua he hei na ke keiki (the knowledge of the parents is absorbed by the child): Engagement of families in the teaching and learning process in ways that their understanding and appreciation of the values, beliefs and principles that support a Hawaiian culture-based education are reinforced at home and in the communities in which they reside.

‘O Hawai‘i kuʻu kulāiwi (Hawai‘i is my native land): Devotion to our native homeland, Hawai‘i as expressed through acts of aloha ʻāina – Hawaiian patriotism, and engagement of learners of all ages in social, cultural and political experiences that foster love for and life-long allegiance to our Pae ʻĀina o Hawai‘i (Hawaiian Homeland) and Hawaiian people.

Students are required to adhere to all curricular requirements of the Kamehameha Schools’ program, including but not limited to participation in Christian education and attendance at Chapel, Hawaiian cultural and languages studies, including oli and mele performance, and similar school activities. Pauahi’s vision to educate Hawaiian children in perpetuity has been realized on Maui throughout the last 25 years.
Kamehameha’s educational leaders have identified four key tactics that are the unifying focus for the tri-campus system. These tactics will guide KS to becoming a world-class, Hawaiian-based education system:

**Student-Centered Learning:** Refocus learning through student-centered, culturally rich experiences and opportunities inspired by student's' unique interests and talents. Each student will be prepared to meet
their highest potential through diverse academic, athletic, artistic, and co-curricular programs and by leveraging media, technology, community partners, and Kanaeokana, the network of Native Hawaiian schools. Student-centered learning will include personalized learning, a career and college mindset, and student health, safety, and well-being.

**Empower Educators:** Empower educators to employ nurturing and dynamic teaching methods that motivate learners to attain world-class outcomes. KS will recruit, develop, and retain world-class educators who are empowered to produce rigorous, relevant, and relationship-rich Hawaiian culture-based education learning environments. Empowered educators demonstrate distinguished teaching and engage in professional development to inspire higher learning and performance results for students.

**Elevate Standards:** Elevate standards by adopting a world-class curriculum and by setting student achievement benchmarks and global standards via world-class, Hawaiian culture-based education. Use discipline-specific standards of excellence to provide the highest-quality educational programs designed to prepare every graduate to be ready for post-secondary success and career opportunities. Elevating standards includes a shared commitment to world-class, Hawaiian culture-based education, developing and applying student growth outcomes, and advancing Christian values and Hawaiian culture.

**Redefine Systems and Learning Environments:** Redefine systems and learning environments in a way that establishes leadership, faculty, and staff accountability toward achieving high-level student outcomes. Education output and learner outcomes will be the primary kuleana of tri-campus education leaders and faculty. Accordingly, decision-making authority will be as close to the teacher and learner as possible. Redefining systems and learning environments includes refining a governance model, improving student learning, and participating in Kanaeokana, the network of Native Hawaiian schools.

**Christian Education Program**
Puaahi recognized that one’s spiritual development is as important as academic achievement. Accordingly, Christian Education is an integral aspect of Kamehameha’s educational program. All students are expected to meet the requirements. Kamehameha Maui’s Chaplain leads the program. Devotions are held to assist students and faculty members experience the presence of Jesus Christ here at Kamehameha Schools and in their daily lives. This is a time of worship and inspiration to bring the Bible to life. Chapel devotions consist of monthly chapel services that include Bible scripture readings, prayers, singing and short thought-provoking meditations.
Hālau ‘o Kapikohānaiāmālama Program

Kamehameha Schools Maui’s Hālau ‘o Kapikohānaiāmālama (HOK) is a four-week summer learning experience that develops a student’s aloha for their ʻāina through interdisciplinary courses that are based in ‘ike ku‘una Hawai‘i – traditional Hawaiian knowledge through mo‘olelo - stories, mele – song, chants and ʻōlelo Hawai‘i – Hawaiian language. Unequivocal success in the most basic of education skills (language arts, math, verbal, and science) is an expected outcome when the educational foundation is culturally rich. This four-week summer learning program is open to students entering grades K-12, including KS students, students attending State of Hawai‘i DOE, public charter schools and other private institutions. Elementary and middle school programs are full-day experiences, while high school students can elect morning, and/or afternoon or full day courses. We offer early college courses, and specialty courses like Ho‘okele Wa‘a, Computer Programing & Game Design, as well as a Maker Design Studio. This program offers unique and worthwhile educational opportunities that cultivate a student's desire to learn and be prepared for success in the new school year. Translated as the life source that feeds and nourishes, Hālau ‘o Kapikohānaiāmālama focuses on empowering and nurturing learners through academically rigorous and culturally relevant curriculum. Through these educational experiences, learners are able to expand skills in areas of art, speaking & listening, literacy, and mathematics while growing to be lāhui contributors of the 21st century.

Coursework is designed to engage learners in topics and inquiry relevant to current lāhui, ʻāina and global issues. Students will gain ʻāina consciousness through engaging in Huaka‘i to deepen their understanding. Our program culminates in a Hōʻike where students will share information and data that will benefit our community and island families.

INFORMATION FOR PARENTS

Supporting your child’s education

Your role as a parent
Your love, encouragement, and belief in your child’s ability to learn can make a world of difference in your child’s academic success. Our school will help your child achieve his or her highest potential by providing a setting for formal learning – classrooms, staff, materials, equipment, facilities and other students – and by facilitating active, meaningful learning experiences. Supporting your child will assure that he or she gets the most out of this educational experience. To help this happen we hold you to the following expectations:

Enforce school rules
Help your child understand and follow the rules contained in this handbook, and support the school when consequences are invoked for violation of the rules.

Support regular attendance
Make sure that your child is in school on time every school day, unless attendance is prevented by an illness, injury, or emergency.

Take an active interest in your child’s learning
Know what your child is studying, and talk about what is happening in school. Provide a time and place for quiet study time for completion of homework.

Monitor your child’s progress
Study informal notes, interim reports and report cards. Discuss them with your child. If you have any questions, contact your child’s teacher, counselor, or administrator to discuss your concerns or to schedule a conference.

Communicate
Open communication between parents and school professionals is essential to a child’s academic achievement and overall well-being. Contact a teacher, counselor, or administrator as soon as a problem arises to discuss your concerns or to schedule a conference.

Keep informed
Participate in workshops, attend meetings, and read handbooks, letters, and other correspondence from the school.

Support school activities
Show support for your child’s involvement by volunteering to assist with activities or by simply ensuring safe transportation for your child to and from school activities.

Enforce dress code
Enforcement of the dress code begins at home. Please ensure your child leaves home in proper school attire. (Section... Pg #... )
Parent/Student Access to Education Records
Parents and students are allowed:
• To inspect, review, and obtain copies of their own education record.
• To request that others review the student’s education record (except where Kamehameha is required or authorized to allow others to review the record without your permission). Requests should be made in writing to the HOK director or his/her designee.

Directory information
“Directory Information” may include:
• Student’s name
• Address
• Telephone number
• Date and place of birth
• Dates of school attendance
• Degrees and awards received
• Most recent and previous educational institution attended
• Other similar information

Generally, information such as phone numbers and addresses will not be released to outside parties who call the school. Instead, the name of the caller and any message will be taken, and the school will contact the student and/or parents, who may then decide if they wish to contact the caller.

Electronic Communication with Students, Parents and Guardians
In order to promote KS’ goal of increasing sustainability through reduction in paperwork, KS will communicate with students, parents and guardians electronically using one or more of the following approved electronic tools via the KS Systems and Web-based Applications (collectively “KS System”):

● Kamehameha Schools Maui web site: The school’s web site can be found at https://www.ksbe.edu/education/maui/summer_school/. The site features a wellspring of useful information including the student and parent handbook, the course catalog, summer reading lists, a faculty contact list, and the daily bulletin.
● The Daily Bulletin is available at the summer school home page https://www.ksbe.edu/education/maui/summer_school/ and also emailed to the address on file. Students and parents are expected to check the bulletin daily for important updates and/or announcements.
● Email is frequently used to share updates and important information.
● School Messenger is used to communicate emergencies, general school or organizational updates. School Messenger delivers these updates through email, phone, and/or text messaging. All KS families are signed up for School Messenger and may opt out at any time.

We ask that those parents/legal guardians who do not have access to the electronic tools listed above to contact the office so that the same information may be sent to them via U.S. mail.

STUDENT INFORMATION

Student Attendance
The Hālau ʻo Kapikohānaiāmālama (HOK) program has a strict attendance policy. Daily attendance is critical to master course materials and truly benefit from a rigorous and dynamic summer learning experience.

Excused absences include student illness or injury or serious and/or difficult circumstances (i.e. funeral or serious family illness). Absences due to family trips and vacations, games and/or athletic tournaments are considered unexcused. Excessive absences will lead to disciplinary action that may include a No Pass for the course.

Reporting Absences
Parents/legal guardians must call the respective HOK campus office by 8:30 am each day a student is absent. If a call is not received, the absence is considered unexcused.

Returning to School After Absence
All students must readmit (check-in) through the campus office with a note from a parent/legal guardian indicating the reason for the absence. Students who are absent one (1) or more days due to illness or injury must readmit through the Health Room before checking in with the campus office and will be required to submit a healthcare provider’s note. All notes should include information about the illness, direction(s) for follow-up, and any medical restrictions on any activity, regardless of the number of days absent. A completed Request for Medical Evaluation form or a similar form that indicates any restrictions, or a private physician's medical excuse note that indicates any restrictions is acceptable for re-admittance to school.

Returning to School After Sick
As COVID-19 cases surge nationally and are beginning to increase in Hawai‘i, we are adding health and safety measures for the second half of the year. Kamehameha Schools will implement a voluntary COVID-19 testing program and has adjusted its criteria for a student to return to school after having a COVID-19 symptom(s). However, the most effective measures to prevent the spread of COVID-19 remain, physical distancing, mask wearing, hand washing, and avoiding gatherings, and staying home when sick.
The Centers for Disease Control and Prevention (CDC) identifies the symptoms most commonly associated with COVID-19. They are generally the same for adults and children and are:

- Fever or chills
- Cough
- Shortness of breath or difficulty breathing
- Fatigue
- Muscle or body aches
- Headache
- New loss of taste or smell
- Sore throat
- Congestion or runny nose
- Nausea or vomiting
- Diarrhea
- Abdominal pain

These are the symptoms that are asked about in the daily wellness check, **which now asks if your child has had any of these in the previous ten days**. They are also the symptoms for which a student would be sent home from school, if the symptoms are not typical for the student who has a known chronic condition that causes them.

**If your child has experienced any symptom(s) of COVID-19 for 1-3 days, a doctor’s note or negative COVID-19 test must be provided to your child’s health room prior to your child’s return.** A doctor’s note continues to be required for return following 4 or more days of illness. To ensure that your child is cleared to return to school, we recommend that you submit the required documentation prior to when your child returns onsite. This will avoid your child possibly needing to be sent home upon arriving at school for not having the necessary documentation. Please log into the KS electronic health record Mo‘omō‘ali Olakino [ohana.ksbe.edu](http://ohana.ksbe.edu) and upload a copy of the negative test result or doctor’s note clearing the student to return to school, as applicable.

We are also planning to offer a voluntary testing program throughout. This may include periodic surveillance testing of participating haumāna and staff utilizing saliva-based PCR tests, rapid antigen testing with confirmatory PCR testing as indicated for haumāna who develop a symptom of COVID-19 at school and are sent home, and PCR tests for close contacts of a confirmed case at school. **In order to participate in this voluntary testing, ‘ohana and staff will be asked to complete a one-time consent form** accessible through the KS electronic health record system (EHR) Mo‘omō‘ali Olakino [ohana.ksbe.edu](http://ohana.ksbe.edu). This one-time consent grants Kamehameha Schools permission to administer COVID-19 tests during the remainder of the current school year.

Please refer to our Kamehameha Schools Approach to Health and Safety for requirements for returning to school after having COVID-19 symptoms and for more information on KS’ COVID-19 Testing Program. In addition, a new resource has also been developed to explain Kamehameha Schools' procedures in the event of a positive case. Visit COVID-19 student exposures: What you need to know for more information [www.ksbe.edu/back_to_school/maui](http://www.ksbe.edu/back_to_school/maui). KS safety protocols are updated according to
recommendations from leading health organizations, and guidance from state and county officials based on the current conditions in our communities. Safety protocols can be found at: https://www.ksbe.edu/back_to_school/our_approach_to_health_and_safety/

Please reach out to your child’s health room nurse with any questions you may have.

Tardiness
A student who arrives after the start time for school or after the beginning time of any class period is tardy. Students who are late to the first class of the day are to report to their respective HOK campus office for a tardy slip. Students not seated at the warning bell at the start of class will be considered tardy. Generally, tardiness is considered unexcused. Students arriving after the beginning of school need to bring a note or ask a parent/legal guardian to call the respective Hālau ʻo Kapikohānaiāmālama campus office. Excessive tardiness will lead to disciplinary action.

BEFORE AND AFTER SCHOOL

Hours & Attendance
The school day begins at 8:00 am and ends at 3:00 pm. For high school students attending only one course over the summer please refer to the start and end time of the identified course.

Dropping-Off and Picking up from Campus
The school has designated drop off and pick-up times and locations. Parents who provide daily transportation may pick up and drop off students at each campus and should do so in a timely manner. KS will not be responsible for students who are left unattended during non-supervised time periods, unless otherwise noted. Parents who need to conduct school business on campus should park in designated parking stalls and not along the building curbside.

Morning Drop-Off
It is recommended that parents plan their morning so that they will be able to drop off their child no earlier than 7:00 a.m. and no later than 7:55 a.m. Supervision on campus begins at 7:15 a.m. To avoid a lengthy school day that may hinder your child’s educational progress, please refrain from dropping your child off prior to 7:15 a.m. Students who come to school too early often experience fatigue during classes.

Afternoon Pick-Up
Pick-up occurs at the same campus designated drop off areas. Depending on the student’s class schedule, pick-up occurs at one of the following time periods:

- Afternoon: 3:00 p.m. to 3:20 p.m.

For safety reasons, students must be picked up from campus within 20 minutes after school is dismissed. HOK will not provide supervision beyond these allotted pick up time periods.

A notice will be sent to the parents of students that are reported waiting on campus longer than 20 minutes after dismissal. This notice will include a warning that student pick-up must take place in a
timely manner each day of school. A second notice will also be the final notice that student pick-up must take place in a timely manner. Upon a third occurrence, Hālau ʻo Kāpikohānaiāmālama administration may take action that may include the student’s release from the program

Inter-Campus Access
Students who attend a KS program and meet up with a sibling or parent who is a KS employee on a different part of campus must let their kumu and the HOK campus offices know.

Illness in School
If illness should occur during the school day, the teacher will issue the student a pass and be directed to the Health Room.

STUDENT CONDUCT

Campus Dining Policy
Good manners, or etiquette, are the expectations for students in the dining hall. It is knowing what to do and when to do it. Etiquette means treating others with courtesy and respect. In a dining situation, etiquette refers to table manners and knowing what is appropriate and inappropriate. Mealtime is sharing of thoughts as well as the sharing of food. There are many different styles and customs when it comes to dining etiquette. To avoid confusion and embarrassment, individuals in a common dining situation should practice the same style. This style is outlined below:

In the Dining Hall

Before Lunch
• Pule will be said in the classroom before entering the dining hall.
• Book bags will be left in the classroom or in a designated area.

In the Lunch Line
• Enter quietly.
• Conversations at the table should be spoken with a quiet indoor voice.
• Students will serve themselves selecting a balanced meal including milk; students who have restricted diets are requested to bring a note stating the dietary restrictions to the Hālau ʻo Kapikohānaiāmālama office prior to the start of the program.
• Take only portions of food you will eat to avoid waste.

Dining Environment
Expectations regarding student behavior in the dining hall during lunch are not different than what parents expect of their children at home:
• All students are expected to listen quietly and attentively to lunch announcements.
• You can usually go back for more food if you are still hungry.

Technology Acceptable Use

Use of KS Mobile Devices and the KS Systems
KS assigns students at selected grade levels appropriate mobile devices (such as a laptop computer or an iPad) and allows students the use of its internet, intranet and email system to support education related communication and research. Students may access the systems through the KS Network. The use of these KS owned mobile devices, KS Systems and its support facilities is a privilege and not a right, and students must abide by the guidelines discussed below when using their issued devices on KS Systems. Mobile devices are returned at the end of class daily, unless KS has approved summer time use of the device. KS re-images its mobile devices for the new school year. KS will remove all non-approved apps, software and content (including music, photos, videos, etc.) from each device.

Guidelines for the Proper Use of KS Mobile Devices
KS expects students to practice good digital citizenship that includes assuming personal responsibility for their assigned device. Each student has the kuleana or responsibility for caring for their device as if it were their own. Students are responsible for knowing the whereabouts of their device at all times. Devices that are left unattended with be taken to the campus office and a search will be conducted to determine its user identity. When using KS mobile devices, please remember to observe the following practices:
• The mobile devices are the legal property of Kamehameha Schools.
• Use of KS devices and systems for personal use should be kept to a minimum. Ask a teacher or computer lab resource person if you have questions or concerns about use of your assigned device.
• Report any mechanical problems with your assigned device or software to a teacher or computer lab resource person and they will work to resolve the problem.
• Take steps to backup school work data according to instructions set out by KS teachers.
• Students may not purchase online music, apps or software with their mobile devices without prior approval to do so by the teacher.
• Only assigned school software may be used on KS devices.
• Use of KS devices for entertainment purposes such as playing interactive games or watching YouTube, TV shows or DVD movies is not permitted.

• If your device is damaged or is in need of repair, KS may elect to replace the device and provide the student with a loaner. However, the use of a loaner device is not guaranteed.
• A laptop or mobile device that is taken away or inoperable does not excuse a student from completing assignments or projects.
• Parents assure all financial responsibility for any device or loaner in their child’s possession that is damaged as a result of abuse, neglect, theft, or loss. Families are required to repair or replace the device or loaner at its current value, including warranties and other related accessories.

All report cards are mailed directly home to the parents/guardians by August 2, 2021. Copies of student report cards are also kept in the HOK office.

All HOK summer school grades are reported to the student records office and cannot be removed from a student’s Kamehameha Schools’ transcript. For UHMC dual credit classes, please visit UHMC records regarding having those credits transferred to the student’s home school.

Students with Disabilities

The Americans with Disabilities Act, as amended, prohibits discrimination against individuals with physical or psychological disabilities. It is the policy of KS to make its programs, services, and activities accessible to a qualified person with a disability, unless there is a fundamental alteration in the nature of the program or service, undue hardship, or the student poses a direct threat to himself or herself, or to others. A “qualified person with a disability” refers to an individual with a disability who is otherwise qualified to participate in any given school program or activity.
Student Expectations

Home Ho`ona`auao
“Kū Kilakila ‘o Kamehameha”

To ensure a loving, safe, and inspiring environment for optimum learning and teaching, while maintaining the level of honor and esteem due to Ke Ali`i Pauahi, we commit to a discipline process that centers on reflection, focuses on growth, promotes learning, and leads to positive behavioral change.

KS believes in a positive, progressive approach to discipline by which the kuleana, ho`oulu, and appreciation of the student is facilitated through critical reflection. By way of this approach, students are handled with compassion as we seek to restore mind, body, and spirit.

We believe in...

- Discipline as an opportunity to learn, grow, and reflect
- A progressive approach to consequences taking into account frequency and severity
- Consequences that reflect compassion to individual circumstances and situations
- A process that uses bests practice as a guide, with past practices in mind
- Maintaining an amnesty program which is discipline free for students with counseling and intervention supports
- Involvement of grade level/outreach counselor and vice-principal in conversations
- Appropriate student intervention services as needed
- Family engagement in process
- A multi-tiered approach for student support

Ka Loina Lawena Pono
Conduct

Ke mahalo nei au i Ke Ali`i Pauahi no kona lokomaika`i.

I lālā kūpono o ka ʻohana o Kamehameha, e hōʻihi ana au i ke Akua, koʻu poʻe kūpuna, koʻu ʻohana a me ke kaiaulu i ka hana pono.

A Commitment to Appropriate

I am grateful to Princess Pauahi for her generosity.

As a steadfast member of the Kamehameha family, I will honor God, my ancestors, my family and the community with righteous actions.
In order to help fulfill Ke Aliʻi Pauahiʻs vision of having our students work towards being “good and industrious” men and women, KS is committed to provide a safe and healthy environment where students can live and learn productively and effectively. It is, therefore, the policy of the School to hold each student responsible for his/her own behavior. The Commitment to Appropriate Conduct at KS is intended to help students control both their emotions and their behaviors, as well as to learn what is, and what is not, acceptable behavior.

Citizenship Behaviors
To protect the quality and safety of KS’ learning environment for all members of the campus community, action will be taken when students choose not to honor and accept their kuleana as a member of our Home Hoʻonaʻauao. KS has a process in place to help identify student behaviors that may be detrimental to the health and safety of themselves, KS people, and property.

The KS Commitment to Appropriate Conduct process is designed to model and teach students to take personal responsibility for their actions and to respect the rights of others. The process applies to behavior in classrooms, on campus, at school-sponsored events, or at non-school sponsored events. Inappropriate conduct occurs for a variety of reasons and in varying degrees of frequency and severity, so there are FIVE levels to address this type of behavior.

Level 2, 3, 4 and 5 behaviors require investigation. The nature and scope of the investigation depends on the frequency and/or severity of each incident.

KS campuses may include additional or alternative disciplinary consequences to maintain a safe and orderly learning environment. In all cases, KS has the sole discretion to determine the appropriate level of discipline for each incident. Only disciplinary actions which may result in a student’s release may be appealed to the Head of School.

Out-of-school and off-campus behavior
Certain activities, even outside of school hours or off school property, may result in loss of school privileges and other disciplinary action up to and including release from Kamehameha. Students may be subject to discipline for behavior which is, or may be, disruptive of the educational process, interferes with the work of the school, is contrary to the mission of the school, impinges on the rights of other students, employees, or members of the school community, or has a direct or immediate effect on the discipline or general welfare of the school, even if such conduct takes place off campus, during non-school hours or on breaks from school. Such conduct will be evaluated at the sole discretion of KS and/or HOK, and KS and/or HOK reserves the right to modify the regular disciplinary process as may be deemed necessary under the circumstances.

Some examples of such outside conduct which may have disciplinary ramifications at school include any violation of law; underage purchase, use or possession of alcohol or a controlled substance; cyberbullying or other use or misuse of computers, or computer websites (personal, at home or at school), which do, or could, impact the welfare of any member of the school community or the reputation or functioning of the school.

Appealing a disciplinary decision
Only disciplinary decisions by the principal that result in a release may be appealed to the Head of School. All other disciplinary decisions by the principal or designee that result in consequences less than that standard may not be appealed. Once a decision has been made by the principal or designee, it will usually be first communicated to the parent/guardian, verbally, then with a written follow-up letter.

Once the written decision to release a student has been communicated, the parent has ten working days to appeal the decision to the Head of School in writing. Appeals must be based on one or more of the following specific factors:

- The presentation of new information regarding the situation that was not available during the original investigation
- A potential lapse or error in applying the school’s procedures applicable to the situation based upon the school’s discipline process

Once the written appeal has been received, the Head of School will review the information gathered by the principal or designee. If the Head of School determines that there are sufficient grounds for the
appeal, a time will be scheduled for the Head of School to meet with parent/guardian(s) and the student, and if deemed necessary by the Head of School, with the principal. If there are insufficient grounds for the appeal, the Head of School will notify the parent(s) in writing.

After the scheduled meeting, the Head of School will render a final decision of the appeal in writing to the parent/guardian(s) and principal within a reasonable time. The decision by the Head of School is final and not reviewable.

Pu‘uhonua

Students who admit to a vice-principal or counselor that they experiment or regularly abuse alcohol or drugs BEFORE the student has been interviewed in an investigation will be given an opportunity to remain at KS without being released. This offer will be honored, provided that the student fulfills all of the conditions established by KS, including completion of any treatment or counseling program (at the family’s expense) in order to remain at school. This offer of asylum/sanctuary will be extended only once – all similar subsequent incidents will be subject to the preceding disciplinary sections set forth in this Handbook.

Multi-Tiered System of Supports (MTSS), Our Learning Intervention Process

Through a whole child approach, Kamehameha Schools makes every effort to meet the academic, behavioral, social and emotional needs of its students. If your child is struggling in school, our faculty and staff will intervene and work with you to find the best way to fulfill those needs. Kamehameha Schools has developed a progressive Multi-Tiered System of Supports (MTSS) to provide parents with a general framework for our process to provide supports to students to help them be successful. The process moves from the simplest teacher-student interventions to more complex supports coordinated through a Student Success Team (SST), which is a multi-disciplinary team, led by a school administrator.

Tier 1: Core Supports provided to ALL students:
KS provides all students with a safe and nurturing learning environment.
With a focus on student-centered learning, teachers provide personalized instruction as needed for each and every student to be successful.

Tier 2: KS supports provided to SOME students:
Students who are identified as needing additional supports are reviewed by the SST to develop a Student Success Plan.
Parents are kept closely involved.

Tier 3: Community Supports provided to FEW students:
As part of a Student Success Plan, the SST, in partnership with ‘ohana, recommends and helps to coordinate supports in the community beyond what KS can provide

If the student’s needs cannot be adequately addressed with Tier 3 and lower supports, a recommendation is made by the Kamehameha School’s Administrator to the Head of School for disenrollment

Questions and concerns
Communication between parents and the school is a key component of academic success. In order to most effectively address your questions and concerns about your child’s education, the following process is suggested:

1. If the issue concerns your child’s learning, approach his or her teacher first. You may also contact your child’s grade-level counselor.
2. If the concern or question is not resolved satisfactorily, please contact the principal.
3. If resolution is still not achieved, please request that the principal take the matter up with the Kamehameha Schools Head of School

Safety and Security

Kamehameha Schools is committed to providing a safe, secure, and orderly environment for students, faculty, staff, and visitors at KS campuses and other educational sites. KS maintains security on its K-12 campuses, 24 hours a day, seven days a week. To contact the campus security campus office, call (808) 572-4260.

Security at the Main Gate
Campus access during summer is strictly controlled between 7:15 am-3:00 pm and between 5:30 pm-5:00 am. To contact the Main Gate, call (808) 572-4260. This number should be called for after hours, weekend, and emergency calls.

Traffic Regulations
While on campus, all drivers are responsible to observe all posted speed, stop, and other traffic requirements and to follow the directions of campus security personnel.

‘Ohana Drop-Off and Pick-up
There are designated drop-off and pick-up sites (bus ramps) located at the elementary, middle, and high school levels of the campus. Curbside stopping and/or parking is not allowed when a school bus is attempting to pull in or out of a bus ramp site. In addition, parents are reminded to use available crosswalks on campus.

Walking Off Campus
Students are allowed to walk on and off campus using only ‘A’apueo Parkway, our main entry roadway, between 7:00 a.m.-7:50 a.m. and 3:00 p.m.-4:00 p.m. Students who wish to walk on and off campus must first get a permission form (Parent Acknowledgement of Guidelines for Students Walking On and Off Campus) from the campus office or school website www.ksbe.edu/maui in the Forms/Resources
section, return the form with parent/legal guardian signature(s), and drop off with Security. Security will check their records for an approved permission form each time a student walks off campus. Students are not allowed to leave campus without prior consent as explained above. Students may not walk off campus during school hours.

Fire Lanes
Access onto designated fire lanes located near or behind school buildings is prohibited, unless authorized or directed to do so by a KS Security Officer.

Policy on Discrimination, Harassment, Intimidation, Bullying, Hazing or Violence & Reporting School Infractions & Unlawful Activity
KS is committed to providing a learning environment free from all types of discrimination, harassment, intimidation, bullying, hazing or violence that would interfere with a student’s ability to learn and enjoy his or her educational experience. All school infractions, including any incident of discrimination, harassment, intimidation, bullying, hazing or violence, should be reported immediately to the Hālau ‘o Kapikohānaiāmālama campus office to permit KS to take appropriate action. KS will investigate and handle such reports in accordance with its policies and procedures. Student suspect(s) will be given the opportunity to explain their views. KS may take disciplinary action, up to and including suspension or release, as determined by KS in its sole discretion. If the infraction is serious and circumstances so warrant, KS may report the incident to local law enforcement officials. A detailed list of infractions and disciplinary actions can be found in the “Student Discipline” section of the Handbook. For more information about how to report a school infraction, including any incident of discrimination, harassment, intimidation, bullying, hazing, or violence, please contact the Hālau ‘o Kapikohānaiāmālama campus office.

If you witness non-students engaging in unlawful or suspicious activities such as theft, arson or drug-use, please report it immediately to KS faculty, staff members or campus security. In cases of emergency, contact local law enforcement, fire, and/or emergency services officials.

Hiʻikua helpline
The Hiʻikua Helpline is a confidential helpline that provides students with an alternative way to report any concerns or ask questions that affect the health, safety and/or well-being of any student (e.g., harassment, intimidation, bullying, sexual harassment, violence or threats of violence, suicidal thoughts or actions, drug or alcohol use). While reporters are encouraged to identify themselves in order for KS to ensure efficient attention to any concern or issue, anonymous reports are accepted and investigated to the fullest extent possible. The Helpline is not intended to replace traditional reporting methods should students or families feel comfortable doing so.

The Helpline is administered by an independent third party to maintain confidentiality and is available 24 hours a day, 365 days per year. To access the Hiʻikua Helpline:

Kamehameha Schools does not tolerate retaliation against anyone who in good faith, reports a concern. It is a violation to knowingly report false allegations. A student or staff member who is found to report a false allegation may be subject to disciplinary action.
Off-limit Areas of Campus

To ensure the safety of all students and to protect school and student property, certain campus areas are designated off-limits. Students are not allowed in the following areas during the regular school day:

- Areas where construction is in progress, including buildings undergoing renovation
- Parking lots
- Forest areas
- Physical plant area
- Other division campuses without permission
- Athletic facilities, unless being used for school functions
- Classroom lanai areas & restrooms during class, except with permission
- Unsupervised areas
- Any other area designated by staff

Visitors and Volunteers

Upon arrival on campus, ALL visitors - including parents, relatives and caregivers must report to the school office, sign in, and obtain a KS identification (ID) badge before going to a classroom or anywhere else on campus. All visitors are expected to follow school rules to ensure that visits do not disrupt the learning environment or endanger the safety of students or staff. Upon KS’ request, at the end of the visit, visitors must report back to the unit office, sign out and return the KS ID badge. KS depends on parents, relatives and community volunteers to enhance its curriculum and to make such things as field trips and special activities possible. In order to provide the safest environment for students and volunteers, KS requires every volunteer who will be in direct contact with students for an extended period, and/or on a regular basis, to complete a volunteer application form available at the principal’s office. Before working directly with the students, volunteers might be required to also have annually:

- A criminal history record check. This information is kept in a confidential file
- Annual KS volunteer training certification 50
- A valid TB clearance on file if anticipated to have contact with grade K-12 students for more than thirty cumulative days within a twelve month period.

Upon arrival on campus, volunteers must report to the school administrator authorized to supervise the volunteer. At the end of the field trip, special activity, program, or service, at KS’ request volunteers should return to the authorized school administrator’s office to sign out, unless alternate arrangements have been made. KS facilities are smoke-free, vape-free and drug-free environments. All visitors and volunteers are expected to adhere to this policy. Smoking/vaping/electronic cigarettes (except in designated smoking areas), drinking, or use of any illegal substance is prohibited on school property (including parking lots, bus terminals, KS vehicles and rental buses), at school-sponsored events, and at field trip locations. Any person under the influence of drugs or alcohol shall not be permitted on school property or at school- sponsored events. In all cases, KS reserves the right to refuse to allow visitors or volunteers, including parents, relatives or caregivers, to participate in its programs and services if, in the opinion of the administrator, there exists a reasonable belief that the visitor or volunteer may pose a risk to the health, safety or welfare of the students.
Securing Valuables
To help safeguard valuable items, students, parents, and visitors are encouraged to lock all doors and windows before leaving a facility, lock car doors, and never leave valuables in exposed and/or unsecured areas.

Kapu Items
For the general welfare of the entire student body and to promote a positive learning environment, the following items are not allowed at school. Doing so may subject the student to disciplinary action:
- Knives, firearms (toys or real) or other objects that may cause injury
- Flammable materials such as lighters, matches, fireworks, poppers
- Mopeds, bicycles, skateboards, scooters, Heelys, Razors, or skates
- Toys, hand-held video games, or play equipment (unless prior approval is obtained)
- Electronic media devices including: iPods, radios, DVD and CD players, or cameras except at the request of the teachers
- Unnecessary sums of money
- Gum, candy, soda

Cell Phones
Cellular phones have become prevalent as a safety/security measure for families. These may not be turned on or used during the school day and must be securely stored. The school will not be held responsible for loss or theft of cell phones. If a student is using a cell phone during school hours (7:45 am-3:00 pm) without permission from the teacher, the teacher/adult will confiscate the phone. The phone will be returned to the student at the end of the day or at the end of the next day if the phone was removed after the dismissal bell.

Chronic abuse of cell phone usage will be reported to the Hālau ʻo Kapikohānaiāmālama office and may lead to disciplinary action. (Please refer to the “Student Discipline” section, Level 1.)

Right to Search
Kamehameha Schools is a private educational institution responsible for the safety of its students and faculty members. As such, KS reserves the right to search student lockers, cars, persons and personal possessions if there is a reasonable suspicion that a student is in possession of contraband items or has violated school rules or criminal laws. Searches may include drug and alcohol testing and/or the seizure of contraband items that may injure students or others. Kamehameha Schools strives to ensure that searches and/or seizures be justified at their inception and reasonably related in scope to the circumstances that justified the initial search and/or seizure.

Reporting Child Abuse and/or Neglect
KS complies with the Child Abuse Law, the Child Protective Act, and Domestic Abuse Protective Orders. To the extent permitted by these laws, KS strives to balance the rights of students with the rights of parents and family members.

In compliance with the Child Abuse Law, KS administrators, faculty and staff are required to report any suspected child abuse or neglect they believe has occurred or is at substantial risk of occurring to the
Department of Human Services (DHS) or the police. Staff are required to treat all matters with confidentiality, only revealing information to those who have a genuine need to know about the specific matter.

Under the law, if a child is being investigated for possible abuse or neglect, DHS or the police can interview the child without parental consent or presence. KS may attempt to notify the parents before the agency or police interview the child, but parental consent IS NOT REQUIRED. If, however, DHS or the police want to interview a child during an investigation concerning another child, parental consent IS REQUIRED before any interview can take place.

Changes in Your Child’s Custodial Status
It is the policy of Kamehameha Schools to remain a neutral party in parental disputes concerning the care or custody of their child. Likewise, it is also the obligation of parents and legal guardian to notify KS in the event there is a legal change in their children’s custodial status. Please forward any court orders, decrees, power of attorneys that affect your child’s legal status to the respective office of KS. In the absence of any legal documentation, KS follows the guidelines developed through statutory law and court decisions. A copy of the legal document establishing parental authority is also retained in the student’s record.

KS staff verifies the identification and the legal documents granting a change in custody for anyone claiming to be a foster or permanent custodian, a Guardian Ad Litem, or a representative of Child Welfare Services or a similar agency if these people seek information about a student or try to instruct staff in matters which conflict with the rights of the last-known legal guardian.

It is KS’ general policy to inform parents if their child is receiving special awards or recognition for academics, athletics, attendance, citizenship, etc. However, if a child has been placed under foster custody, parents are only informed if such notification is approved by the agency with foster custody.

Island-wide Emergencies
Kamehameha Schools has a campus-wide emergency response plan designed to provide administrators, faculty and staff with a guide for emergencies. The goals of the plan are to:

- Ensure the safety and security of students, staff and visitors
- Minimize disruption of academic programs and business operations
- Minimize property losses
- Assist the community in time of emergency

KS’ emergency operations plan is activated any time a CIVIL DEFENSE WARNING is issued. In such a case, parents can obtain information about school or their children in the following ways:

Radio: Announcements about school closure or evacuation will be broadcast over the local radio stations.

Telephone calls: In the event of an emergency, every effort will be made to keep parents informed via our automated messenger service. In order to keep lines open for emergencies and calls to the outside, please do not call the school office for information during an emergency. Urgent phone calls may be made to the main gate at (808) 572-4260.
Evacuation of students: If students must be evacuated, school personnel will ensure that students are moved to a safe location.

In case of local or national emergencies, students will be transported to bus stop sites AT NORMAL DROP-OFF TIMES only if transportation is deemed safe. Otherwise, students will remain in their designated evacuation center on the Maui Campus. In such cases, parents are asked to listen to local radio stations or call the emergency hotline for information.

Family emergency plans: All families should have their own emergency plans. Parents should review those plans regularly with their children.

If you have questions about the KS emergency response plan, call the security office at (808) 572-4260.

HEALTH SERVICES

Health Services
The Mālama Ola Health Services Department (HSD) is responsible for performing the medical clearance for all students. In addition, the HSD is available to provide healthcare services to students located on a KS campus. Health rooms on a KS campus are staffed by a Registered Nurse who may be supported by a Medical Assistant.

Parents/guardians are required to complete a Medical Treatment Agreement and Release prior to the start of the program session. While Kamehameha Schools may provide healthcare services for its students, final and complete responsibility for the health of the student rests with the parents/guardians of the student. Costs incurred by outside referrals and treatments are also the responsibility of parents/guardians. Kamehameha Schools does not assume responsibility for treating any student who appears to be under the influence of any drug, chemical, alcohol, or any other intoxicating or mood altering substance; however, it reserves the right to administer emergency treatment in connection with any physical disability or accident resulting from the above influence.

The HSD provides clinical assessments, first aid, and initial urgent/emergency care, as defined below. There is no charge for students to be seen by HSD staff, although there may be a charge for supplies.

- Clinical assessment is an evaluation by a licensed healthcare provider that includes taking a pertinent history and physical examination to determine the health problem.
- First aid is the provision of healthcare for minor conditions identified through the clinical assessment. The nurses follow treatment protocol as approved by the Kamehameha Schools’ Medical Director.
- Initial care for urgent/emergent conditions is the provision of available healthcare services to help stabilize the serious condition until more definitive care can be received at a setting that can provide a higher level of care.
In the event of a serious medical emergency, KS will be responsible for arranging transportation for emergency care. In emergency care situations, the preferred method of transportation is through the use of Emergency Medical Services (EMS). During transport, KS will make every effort to accompany the student to the emergency room. The parent/guardian is expected to join the student at the emergency room in a timely manner. If a student is assessed to need care at an outside physician or facility, a Medical Evaluation form will be provided to parents to be completed by the physician or facility. If the student does not have a referral letter, a private physician’s written clearance with restrictions as applicable is acceptable. A signed referral letter or physician’s written clearance is required when the student returns to school. The parent/guardian(s) is responsible for the cost of any medical services not provided by KS medical staff.

KS is not responsible for reminding students to take or report for their medication. Kamehameha Schools is not responsible for any medications that a student self-administers. Students will be responsible for ensuring that they keep the medication available at school or on any activity and take the medication as prescribed. If a student shares a self-administered medication with another student, the medication shared will immediately be confiscated, the student's privilege of self-administration will be revoked, and the student may face other disciplinary measures. However, students are not permitted to self-administer any controlled medications (e.g. narcotics or common ADHD medications); these medications will need to be administered by KS medical staff or their designee.

A copy of the Request for Administration of Medication (RAM) form was made available with each student’s application or re-enrollment packet. A completed RAM form must be submitted for each prescribed medication that KS medical staff or their designee will administer.

**Contacting parents**

In cases of emergency, KS staff will call 911 first. Then as soon as possible, a call will be placed to the parent/guardian(s) and, if unavailable, will then call the emergency contact.

Students will be sent home from the program if they have any of the following:

- A temperature of 100.4°F or above. Students must be fever free for 24 hours without medication (e.g. Tylenol, Motrin, etc.) before returning.
- Any illness or injury that prevents full participation or could pose a risk to another student’s health.

In the event of illness or injury during the program, students should inform program staff when the illness or injury occurs. For injuries, a KS Injury Form is completed by a supervising program staff member.

**Hours of Service**

The health room is open Monday through Friday from 7:00 a.m. to 3:00 p.m.

**Health Records**

The HSD maintains a health record on each student. Please report any changes to your child’s health immediately by calling the health room at 572-4221.

Kamehameha Schools retains all student health records for a minimum of seven years beyond majority. Student health records are considered confidential with information disclosed externally to
authorized individuals and healthcare providers, and information is shared internally when there is a legitimate educational impact.

**Student Accident Insurance**

Kamehameha Schools provides limited accident insurance for students for accidental injuries incurred during participation in school functions, activities or trips. This insurance provides accident coverage in conjunction with parents’ personal medical insurance or serves as primary insurance for those who are uninsured. Kamehameha Schools requires students to be insured if they wish to participate in athletics.

**TRANSPORTATION**

Kamehameha Schools provides bus transportation to and from its campus for students living in South Maui, West Maui, and Central Maui. All requests for service or change of service are authorized by the KS Operations Department. Bussing is also provided for students on a limited basis for field trips, athletic, and other KS-sponsored events and activities.

Above schedule is subject to change. Buses will depart on time. Parents will be responsible for bringing their child to school if they miss the bus.

Bus seat awards will accompany conditional enrollment letters mailed to applicants in early April. Bus transportation for waitlisted students who are later offered a program seat is not guaranteed and may not be available on desired routes.

Bus seating capacity is limited, and route pick up and drop off times are approximate. No route changes, alterations, or courtesy stops are allowed. The Transportation department reserves the right to cancel or change bus route times and locations dependent upon rider enrollment. Parents are responsible for retrieving students in a timely manner after daily close of program.

Financial assistance for bus service is available for qualified students. Priority is given to students who have met the application deadline. All remaining spaces will be awarded on a first-come-first-served basis. Students not selected may be placed on a waiting list for duration of the program. Families participating in the bus program will receive a confirmation letter, schedule, and other necessary information prior to the start of school or transportation service start date. Students and their parents shall notify the Hālau ʻo Kapikohānaiāmālama office if they decide to discontinue bus transportation prior to the expiration of the program session so that KS may award transportation to the next available applicant on the waiting list.

Student Pick-up from Bus Sites
Parents are asked for their kōkua at bus pick-up and drop-off points. Parents should drop off and pick up their children in a timely manner as KS will not be responsible for students who are left unattended at designated bus stops. In addition, parents are reminded not to litter, or cause hazardous conditions for children or buses by participating in unsafe vehicular or pedestrian actions at bus stops.

Students must be picked up from all bus sites within 15 minutes after the buses depart. There are many safety concerns with leaving students waiting unsupervised at bus sites for an extended period of time. Please do your part by picking up your child within 15 minutes of the bus’ departure. For safety reasons, students must remain at the bus site until they are picked up.

A notice will be sent to the parents of students that are reported waiting at the bus sites after the recommended pick up times listed above. This notice will include a warning that student pick-up must take place in a timely manner each day of school. After three warnings, the student will be suspended from riding the bus. Two suspensions may result in termination from the bus program. Other violations may result in suspension or termination of bus privileges in which the length and severity will be determined by the Hālau ʻo Kapikohānaiāmālama Director on a case-by-case basis.

Transportation Plan Changes
If a child typically rides the bus, but will be transported home by another means for a special reason, parents must notify the campus office. Notification by a child alone is not sufficient. Prior notification in writing is best, but in an emergency a phone call by 11:00 a.m. is also satisfactory. If parental notification is not received, transportation arrangements for a child may not be changed.
Bus Passenger Code of Conduct

Bus transportation is a privilege and all riders are expected to follow school rules, exhibit good manners and show respect for others. Failure to comply may result in suspension from bus use, or loss of transportation privileges altogether. Everything a child carries on to the bus must be held on his/her lap, as seats may not be available for books or bags. Only students with a valid bus pass may ride the bus.

While riding in KS buses and/or vehicles, students are under the direct supervision of the bus driver. The driver is responsible for enforcing and reporting any infractions of Kamehameha’s School Bus Passenger Code to school administrators. If faculty and/or staff are riding the bus, they shall assist the driver with the supervision of students.

All students and passengers riding school buses, including faculty, staff and guests, shall abide by the school bus passenger code noted below:

Before boarding the bus students shall:
- Use the restroom. The bus will not make restroom stops en route.
- Be on time at the designated school bus stop to help keep the bus on schedule.
- While waiting for the bus, students shall stay off the road and refrain from horseplay or other boisterous conduct that could pose a danger to the health and safety of students or to others.
- Wait until the bus comes to a complete stop before attempting to board the bus. Students shall line up in single-file manner and not rush to board the bus.
- Where there are no sidewalks or paths, walk to the side of the road facing traffic to get to the bus stop.
- Use the handrail and watch their step when boarding the bus.

While on the bus students shall:
- Keep heads and/or hands inside the bus at all time. No outside yelling or obscene gestures will be tolerated.
- Refrain from loud talking, laughing or creating unnecessary confusion, which may divert the driver’s attention and may result in an accident.
- Treat bus equipment as valuable furniture. Students will be held financial accountable for vandalism.
- Never tamper with the bus or any of the equipment.
- Keep all books, packages, coats and other objects out of the aisles.
- Remain in the bus in case of a road emergency unless directed to do otherwise by the bus driver.
- Not throw anything out of the bus window.
- Remain properly seated while the bus is in motion. No standing or sitting on the bus floor.
- Refrain from fighting, or engaging in other behavior that would endanger the health and safety of self or others
- Not eat or drink on the bus.
- Obey all instructions from the bus driver.
After leaving the bus students shall:

- Cross at nearby crosswalks or intersections. Do not cross directly in front of or behind the bus. If there are no crosswalks or intersections nearby, students shall look both left and right to see that there are no vehicles approaching before crossing. Avoid crossing at curves or hills.
- Observe the following crossing procedure when crossing the street with the assistance of a school bus driver:
  - Walk 12 feet in front of the bus and check to see if the alternating red lamps on the top portion of the school bus are flashing. If they are, look at the driver and wait for him/her to give you the signal to cross.
  - If the red lamps are not flashing, do not cross. Notify the driver if the red warning lamps are not working and ask for the driver’s assistance to cross the street.
- Students are not permitted to leave the bus at locations other than designated bus stops unless advanced authorization has been given by school officials.

Notice of Use of Video and Audio Recording Devices on Buses
For the safety of the passengers and driver, buses utilized by Kamehameha Schools have video cameras installed with audio capability that allows for the recording of oral communications in the interior of the buses

Bus Assignments
- Students may be assigned to ride designated buses at specified times and locations.
- Students may not bring guests or friends on the bus unless permission is granted by the applicable school administrator. Please do not make this request to the bus driver unless it is an emergency situation as there may be students on the waitlist.
- Special written requests will be reviewed on a case-by-case basis by the KS transportation manager.
- The driver may assign students a seat on the bus, if necessary.

Lost and Found Items
Any lost and found items left on the bus will be turned in to the campus office.

Corrective Action
KS will take corrective action against passengers who violate the School Bus Passenger Code, up to and including forfeiture of bus privileges. Bus drivers will send a Student Notice of Concern for students who misbehave to the Hālau ‘o Kapikohāna‘īmālama Director. School administrators may terminate a student’s bus service if the student continues to misbehave.

In Case of Emergency
In the event of an emergency, the driver shall stop at the nearest safe location to make reasonable efforts for self-protection and protection of passengers.
Emergency Procedures for Bus Transportation to and from School

In the event of a road closure or other emergencies that may affect bus transportation, the following procedures will be implemented:

Parents will be asked to:

1. Make arrangements with family or friends in the Central or Upcountry areas to pick up their children in the event that they are unable to pick them up. Parents are highly encouraged to have his/her child picked up from school within two hours of the announcement.
2. Make sure that parent contact information is always current, especially telephone and cell phone contact numbers.
3. Listen to local radio and news stations for updates on road closures and other emergencies, especially if transportation to school in the morning will be affected. The bus may be held up en route to the bus site or students may be stuck in traffic en route to school after the bus pick up.
4. Talk to their child about what their plan is in case there is a road closure or emergency. Review the emergency plan; be ready for changes due to unforeseen circumstances.

Morning Transport

The bus may be held up en route to the bus site or students may be stuck in traffic en route to school after the bus pick up. The Operations Office will keep in contact with the bus service provider and contact the main campus offices with an estimated time of arrival to school. Parents may decide to consider keeping their children out of school if the emergency is due to extreme weather conditions.

Afternoon Transport

Affected bus riders will be kept together in one location on campus, until further notice, if the road does not re-open by 3:00 p.m. Any remaining students will be sent home on the bus once the road re-opens and traffic has time to subside.

Parents of students who ride the bus will be contacted in the event road closures and/or inclement weather precludes bus transportation services. Parents will be notified when roadways are clear and buses are ready to resume services. In the event that roadways are not scheduled to be reopened, KS Maui will provide accommodations for students to sleep on campus overnight.

The campus office will be notified that the students will be kept on campus and asked to assign someone to escort these students to the selected location and provide supervision. Students kept on campus will be supervised. Food and beverages will be provided for students expected to be kept on campus for an extended time. Parents are encouraged to plan alternative transportation for their child in case the road remains closed for a long period of time.

Transportation to and from Huaka‘i

Kamehameha Schools provides limited bus transportation to and from huaka‘i for its students, staff, and chaperones. Transportation for huaka‘i is arranged solely by Hālau ‘o Kapikohānaiaamālama, and may consist of KS school buses, non-school bus vehicles or approved rental vehicles as KS deems prudent and/or necessary. Students are expected to follow and observe Kamehameha Schools School Bus Passenger Code of Conduct, as set forth in the Bus Transportation section of the Student & Parent Handbook, while being transported to and from all huaka‘i.
Permission for alternative transportation and to leave the group

As a general rule, students are required to ride in KS approved vehicles and travel as a class with their teachers and classmates and are not permitted to leave the group or travel separately to and from huaka`i locations unless prior approval is obtained from KS in writing. Parents/legal guardians shall obtain the Division Administrator’s approval before the huaka`i by completing and submitting a written request, using the KS Permission for Alternative Transportation or Permission to Leave the Group forms, to the campus office. Forms are available upon request at each campus office. Permission for alternative transportation is NOT routinely granted unless there is an emergency or unusual circumstances exist. Permission to leave the group is granted by the respective Division Administrator on a case by case basis.

Driving & Parking on Campus

Parking on campus is a privilege. Students are not allowed to drive or park on campus during the school day unless they have obtained a Kamehameha student parking decal or a one-day student parking pass. Student parking is restricted to designated parking areas on the campus.

Parking application

Student drivers must complete a Student Parking Application available at the campus office or school website www.ksbe.edu/maui in the Forms and Resources section. A valid driver’s license and proof of insurance are required. Students who are granted parking decals are responsible for obeying the rules and regulations for driving and parking on campus printed on the back of the application form.

There are two types of student parking passes you may apply for:

1. Temporary Pass – This is on an as need, emergency basis only. Application must be completed and on file in the campus office before parking. Examples of need or emergency would include student having to leave campus for an appointment, missing the bus or parent off-island and student does not have a ride.
2. Permanent Pass–Student drives and parks car on campus on a daily basis.
