Sign Your COVID Testing Consent Today

Parents/guardians of students participating in required weekly screening tests will need to access [Mo'omō'ali Olakino](#) to submit consent prior to the beginning of the school year. This consent:

- allows KS to have tests sent to the lab in California to be processed
- acknowledges that if a test result is positive that information is shared with the Hawai'i Department of Health

If parents have already submitted a consent prior to July 29, you will need to resubmit the form. We apologize for the inconvenience and appreciate your understanding as we update our processes. Please refer to these [instructions](#) on how to complete the consent form. If a consent is not provided for a student, it will be considered the same as failing to complete a required test.

Individuals who are required to participate in weekly screening tests but refuse to do so will be subject to administrative action.

Test kits will be mailed to the address on file. If you use a PO box, please be sure to check your mail, especially on weekends.

The test should be administered at home **every Monday morning** before leaving for school **beginning on August 9, and...**
