Hālau ‘o Kapikohānaiāmālama Program Overview

Kamehameha Schools Maui (KSM) is excited to present Hālau ‘o Kapikohānaiāmālama Summer 2021. Translated as the life source that feeds and nourishes, Hālau ‘o Kapikohānaiāmālama offers a vibrant, inclusive, student-centered learning community where we strive to inspire, empower, and nurture all learners that they may grow to become dynamic, innovative, and compassionate individuals – E Ola!

The kuleana of the hālau is to cast a wide net of diverse learning possibilities that build cultural competence, a strong growth mindset, critical thinking and resilience in our haumāna.

Hālau ‘o Kapikohānaiāmālama emphasizes experiences that develop a student’s aloha for their ‘āina through interdisciplinary courses that are based in ‘ike kūpuna Hawai‘i – traditional Hawaiian knowledge through mo‘olelo - stories, mele – song, chants and ‘ōlelo Hawai‘i – Hawaiian language. Unequivocal success in the most basic of education skills (language arts, math, verbal, and science) is an expected outcome when the educational foundation is culturally rich.

Hālau ‘o Kapikohānaiāmālama 2021 is open to students entering grades K-12, including current Kamehameha Schools students, students attending the State of Hawai‘i DOE, public charter schools, and other private institutions. The health and safety of our students and staff is a priority, therefore, this year our lower division grades K-5, and upper division grades 6-8 and 9-12 programs will be delivered through a hybrid model. This means a combination of in-person full-day experiences two days each week and three days virtually online for grades K-8 and 1.0 credit courses for grades 9-12. For 0.5 credit courses, in-person full-day experiences two days each week. Mondays will be virtual for K-8 and 1.0 credit courses for 9-12. In-person classes will be assigned either Hui A or Hui E. Hui A will meet in-person on Tuesday & Wednesday, while Hui E will meet in person on Thursday & Friday. The Hui you are assigned to will be meeting virtually on the other days. Class sizes are limited to ensure optimal teacher-to-student ratios while following our local and state COVID-19 orders and guidelines.

The Hālau ‘o Kapikohānaiāmālama program offers select credit advancement courses for high school students seeking to earn required and/or elective credit(s). Early college courses allow high school students the opportunity to earn credits toward both high school graduation and a college degree.

Students need to obtain approval for course credits from their home schools to ensure acceptance of credit(s) earned. KSM students can request principal approval for credit courses by submitting the Request of Credit Approval form to the Kula Kiʻekiʻe office. This form can be found on the website at: www.ksbe.edu/maui/summer.

Mission

Kamehameha Schools’ mission is to fulfill Pauahi’s desire to create educational opportunities in perpetuity to improve the capability and well-being of people of Hawaiian ancestry.

STUDENT PHOTOS WITHOUT MASKS OR SOCIAL DISTANCING WERE TAKEN PRIOR TO COVID-19.
Application Process

Early registration is recommended as course seats fill quickly. Enrollment is based on the date your child’s application is received and upon grade level/course availability. Program notification letters will be sent in early April. Waitlisted students are considered for enrollment through the end of May.

Kamehameha Schools reserves the right to cancel any class should enrollment fall below the minimum allowance, or an instructor is unavailable.

Please note that kindergarten applicants must be 5 years of age by July 31, 2021.

Policy to Give Preference to Hawaiian Applicants

Kamehameha Schools’ policy is to give preference to applicants of Hawaiian ancestry to the extent permitted by law.

If you would like to be considered under that policy, your Hawaiian ancestry must be verified by Kamehameha’s Ho’oulu Verification Services. Please contact Ho’oulu Verification Services to complete your Hawaiian ancestry determination as soon as possible, preferably no later than the February 15, 2021 application deadline. For more information, please call (808) 523-6228 or toll-free at 1-800-842-4682, then press 9, then 36228. You may also check www.ksbe.edu/datacenter for answers to frequently asked questions or to request a Hawaiian Ancestry Registry (HAR) form.

For Current KS Students: Admissions & Financial Aid

Registration for current KSM Students

Current KSM students must complete registration online via KSConnect. KSConnect registration will begin January 4, 2021 and close February 15, 2021.

KSM students must adhere to the Early College deadlines set forth at the Parent Night in order to be eligible to take Hālau ‘o Kapikohānaiāmālama Early College courses.

Applicants who complete online registration will be notified automatically of conditional enrollment or waitlist status. Course catalog will be available online at www.ksbe.edu/maui/summer.

Financial Aid

Kamehameha students who are currently receiving financial aid for the 2020-2021 school year DO NOT need to complete a summer school financial aid application. Parents received notification of summer school financial aid in their school year financial aid notification letter.

Kamehameha students who did not apply for financial aid for the 2020-2021 school year may contact O‘ahu Resource Center at (808) 534-8080 or call toll free at (800) 842-4682, then press 2 for further assistance.

For Community Students not Attending KS During the Regular School Year: Admissions & Financial Aid Application

Applying

The online 2021 Admissions & Financial Aid application will be available from January 4, 2021 through February 15, 2021 at http://www.ksbe.edu/apply . You may apply for financial aid at the same time that you apply for Summer School. If you decide to apply for financial aid, you will be required to provide additional financial information when applying online. All required financial documentation must be submitted no later than February 15, 2021, the application deadline.

- Please note: INCOMPLETE applications will not be considered for financial aid.

Students who are awarded financial aid and later decide not to attend summer programs must notify the Hālau ‘o Kapikohānaiāmālama office at 573-7037 immediately to allow waitlisted students the opportunity to enroll.

Exploration Series Program Applicants: While KS has several wonderful opportunities over the summer, if you choose to participate in Hālau ‘o Kapikohānaiāmālama, we ask that you commit to attending all four weeks. Students planning to apply to both an Exploration Series program and Hālau ‘o Kapikohānaiāmālama are recommended to request attendance to Exploration Series programs offered during Week 5 (7/12-16/2021). If there are other commitments you have this summer, including family trips or athletics programs, we humbly ask for you to instead consider the other opportunities that better fit your time constraints.
Help with Summer School Admissions & Financial Aid Application

Kamehameha Schools Resource Centers (KSRC) serve and support families applying to Kamehameha Schools’ campuses, programs, and scholarships. KSRC are family-friendly and conveniently located in Līhue, Kaua‘i; Honolulu, Kāne‘ohe, and Mā‘ili, O‘ahu; Kaunakakai, Molokai; Wailuku, Maui; and West and East Hawai‘i.

You may visit https://apps.ksbe.edu/resourcecenters for locations and hours of operation.

Kamehameha Schools Wailuku Resource Center
175 N. Market Street
Wailuku, HI 96793
Phone 808-242-1891

Kamehameha Schools Admissions Office - Maui Campus
275 ‘A’apu‘e Parkwy
Pukalani, HI 96768
Phone 808-572-3133

Medical Clearance

Applicants will be asked to complete a Health Summary and Tuberculosis (TB) Risk Assessment within the online application. Please answer this section completely so that we can adequately care for your child. If you have additional health information about your child’s medical condition, please forward that documentation to Kamehameha Schools, Hale Ola Health Services, 1887 Makuakāne Street, Honolulu, HI 96817.

Request for Administration of Medication (RAM) form: Kamehameha Schools is not responsible for any medications that a student self-administers. Students will be responsible for ensuring that they keep their medication available at school or on any activity and take the medication as prescribed. If a student shares a self-administered medication with another student, the medication shared will immediately be confiscated, the student’s privilege of self-administration will be revoked, and the student may face other disciplinary measures including release from the program. However, students are not permitted to self-administer any controlled medications (e.g. narcotics or common ADHD medications); these medications will be administered by KS medical staff or their designee. You will be required to complete a Request for

Administration of Medication (RAM) form for each medication, only:

- If you would like to have KS medical staff or their designee administer medication to your child; or
- If your child has been prescribed a controlled medication that he or she may need to take during the program.

If this applies to your keiki, be sure to download the Medical Forms Packet below and bring it to your child’s healthcare provider to complete.

Out-of-State Applicants will be asked to submit a completed Medical Forms Packet including a copy of their current immunization record as part of their medical clearance for summer programming.

Please mail the completed forms together to Kamehameha Schools, Hale Ola Health Services, 1887 Makuakāne Street, Honolulu, HI 96817 by February 15, 2021.

DOWNLOAD: MEDICAL FORMS PACKET

Students with Disabilities

The Americans with Disabilities Act, as amended, prohibits discrimination against individuals with physical or psychological disabilities. It is the policy of KS to make its programs, services, and activities accessible to a qualified person with a disability, unless there is a fundamental alteration in the nature of the program or service, undue hardship, or the student poses a direct threat to themselves, or to others. A “qualified person with a disability” refers to an individual with a disability who is otherwise qualified to participate in any given school, program, or activity.

If you have a child with a disability and would like to find out if they qualify for disability-related services and/or accommodations or require additional information, please contact the Student Support Services Coordinator, Beverly Kempley, at (808) 573-7030.

Course Changes and Withdrawals

Course changes or withdrawals after completion of registration or enrollment require submittal of the Course Change/Withdrawal Request form available online at www.ksbe.edu/maui/summer. Early notification is requested so waitlisted students can be offered the opportunity to attend the program. Once a
space has been reserved for a student and paperwork has been processed, refunds will be made only according to the schedule below. No refunds will be given after June 7, 2021.

Through May 28, 2021  Full refund, less $25.00

From June 7, 2021  No refund

**Tuition**

Full-Day tuition for the four-week session includes snack and lunch.

<table>
<thead>
<tr>
<th>Full-Day Session/1 Credit Course</th>
<th>$400</th>
</tr>
</thead>
<tbody>
<tr>
<td>0.5 Credit Course (Grades 9-12 only)</td>
<td>$200</td>
</tr>
</tbody>
</table>

Please do not send payment with the application. Beginning in early April 2021, all students awarded a conditional summer program seat will receive a confirmation letter and tuition bill with payment instructions.

**Payment**

The following methods of payment for tuition will be accepted:

- Financial Aid
- FACTS online payment
  - Due Friday, April 24, 2021 unless otherwise noted.
  - Online payment may be made from a savings or checking account or via credit card. Online credit card payments will be charged a service fee.
  - A $30 processing fee will be charged for any payment returned by the bank or financial institution.
- Cashier’s Check

**Transportation**

One-way or round-trip bus transportation service is available to and from the locations shown below for a fee, in addition to tuition costs.

**Transportation Fee**

<table>

<td>Round-trip Bus Service</td>
<td>$100</td>
</tr>
</tbody>
</table>

**Bus Sites**

**Lāhainā Aquatic Center**

Depart: 6:30 a.m.
Return: 4:30 p.m.
All students must be picked up by 4:45 p.m.

**Kihei – Kenolio Recreation Center**

Depart: 6:40 a.m.
Return: 4:15 p.m.
All students must be picked up by 4:30 p.m.

**Wailuku/Kahului TBD**

Depart: 7:20 a.m.
Return: 3:40 p.m.
All students must be picked up by 3:55 p.m.

Bus Sites/Schedules are subject to change. Refer to bus confirmation letters for finalized information.

To request bus service, complete the Transportation section of the online program application. Bus seat awards will accompany conditional enrollment letters mailed to applicants in early April. Bus transportation for waitlisted students who are later offered a program seat is not guaranteed and may not be available on desired routes.

Bus seating capacity is limited, and route pick up and drop off times are approximate. No route changes, alterations, or courtesy stops are allowed. The Transportation Department reserves the right to cancel or change bus route times and locations dependent upon rider enrollment.

Please refer to the transportation section for details of available service.

Parents are responsible for dropping off students in time for class and picking up students in a timely manner after their last class of the day. Community students will be required to use and display the
Summer 2021 Parking Pass issued by Hālau ʻo Kapikohānaiāmālama office. KS students with a valid 2020-2021 parking pass may use the same pass during the summer and do not need to reapply.

Lower Division (Grades K-5) and Upper Division (Grades 6-8)
Absences will affect student progress. Excessive absences will also lead to disciplinary action which may include a No Pass for the course.

Upper Division (Grades 9-12)
Course credit is awarded based on mastery of the content. If a student misses in excess of three days, it may be difficult to keep up with assignments and result in a No Pass/No Credit for the course.

Student Evaluations
Students in grades K through 8 will receive a final student progress report with Pass or No Pass, along with a portfolio, as an evaluation of their work.

Students in grades 9 through 12 will receive a final report card with letter grades A-F as an evaluation of their work. A copy of the student’s grades for courses can be sent to the school that the student will attend in Fall 2021, as designated.

Lunch and Special Diets
Nutritious lunches prepared in the dining hall and snacks are included in the full-day tuition cost. All full-day students are required to eat school lunches.

Students with special dietary needs must bring a physician’s note stating dietary restrictions prior to start date of summer program. Requests will be reviewed on a case by case basis.

Attendance Policy
Absences
Hālau ʻo Kapikohānaiāmālama, KSM Summer School has a strict attendance policy. Daily attendance is critical for students to truly benefit from a rigorous and dynamic summer learning experience and master course materials. Absences due to family trips and vacations, games and/or athletic tournaments are discouraged and students who are unable to commit to the full duration of their registered program should not apply.

Students should be in school every day to prepare themselves for the opportunities and challenges presented. Research shows that few factors within students’ and families’ control are more closely associated with academic success than school attendance. Students need to be present in school to benefit from teacher instruction, and from interaction and exchange of ideas with peers. Excessive absences affect the culture of the classroom, where the goal of faculty is to build a vibrant community of learners.

ʻAʻole ʻulu e loaʻa i ka pōkole o ka lou. Breadfruit cannot be reached when the picking stick is too short. (There is little chance for success without proper preparation.)
## Lower & Upper Division Programs

* Grades K-5 will be held on Elementary School campus

* Grades 6-12 will be held on High School campus.

Campus map will be available with conditional enrollment offer.

Our elementary and middle school programs offer haumāna the opportunity to explore and discover through engaging in academically rigorous and culturally relevant learning activities. Each course is age-appropriate and designed as a Hawaiian culture and project-based learning experience. Our students’ foundation is set within ancestral ways of knowing while building knowledge and skills in the fields of literacy, math, art, science, and technology. These experiences empower our haumāna with the tools necessary to succeed as life-long students and lāhui contributors.

### Course Description: Grades K-5 (Lower Division)

**NANI KE AO NEI**

Grade Level: Kindergarten  
Course Number: MS03002 | 8:00am – 3:00pm  
ONLINE: Monday  
Hui A: Tuesday, Wednesday | Hui E: Thursday, Friday  
$400

Where do I live? What’s special about my mokupuni of Maui? Keiki will explore the various geographical features that makes Maui so special, its mountains, valleys and kumu wai – water sources. Discover the importance of kilo – observation as haumāna begin to recognize the spaces where they live and the health of its ecosystems. While learning how to aloha and engage with our ʻāina, keiki will also develop meaningful work
habits including collaboration and innovation while growing their creativity and imagination.

**Student must be 5 years of age by July 31, 2021.**

**WHAT'S BUGGING YOU?**
Grade Level: 1  
Course Number: MS03101 | 8:00am – 3:00pm  
ONLINE: Monday  
Hui A: Tuesday, Wednesday  Hui E: Thursday, Friday  
$400

Engage your senses in exploring the world of bugs. Through inquiry-based Hawaiian science discover life through the senses of a bug. Conduct observations, collect data and learn about the importance of bugs in ecology and nature, then use your creativity to design a project that teaches others about our little bug friends and the important roles they play in our world.

**KĀHEKA KRITTERS**
Grade Level: 2  
Course Number: MS03202 | 8:00am – 3:00pm  
ONLINE: Monday  
Hui A: Tuesday, Wednesday  Hui E: Thursday, Friday  
$400

“Abundant!” Probably not the first word you think of when you think of tidepools, but the truth is the kāheka of Maui are teeming with all types of marine life! Keiki will have fun becoming “marine ecologists” as they investigate these little pockets of lava near the shoreline. Through moʻolelo – stories, observations, hands-on activities and walaʻau with field experts, the keiki will learn to identify these unique critters and learn their specific functions within this small ecosystem. Finally, keiki will use their imagineering skills to design a model of a kāheka that can be used to teach others the importance of this valuable resource.

**DROWNING IN PLASTIC**
Grade Level: 4  
Course Number: MS03401 | 8:00am – 3:00pm  
ONLINE: Monday  
Hui A: Tuesday, Wednesday  Hui E: Thursday, Friday  
$400

Join us on a journey of discovery and citizen science as we look at the implications of plastics in our marine environment. Surrounded by ocean on Maui, our shores are consistently inundated with plastic debris. Deepen your understanding of the cultural and environmental processes that bring large amounts of plastics to our shores. Expand your research by looking at how plastics are affecting the world and our Hawaiian way of being. Make observations and collect data, then use your research & imagination to design possible solutions to lessen the amount of plastic that is threatening our marine life daily.

**BYE, BYE BIRDIE!**
Grade Level: 3  
Course Number: MS03301 | 8:00am – 3:00pm  
ONLINE: Monday  
Hui A: Tuesday, Wednesday  Hui E: Thursday, Friday  
$400
MAUI the INNOVATOR
Grade Level: 5
Course Number: MS03501 | 8:00am – 3:00pm
ONLINE: Monday
Hui A: Tuesday, Wednesday  Hui E: Thursday, Friday
$400

Maui da Hawaiian Supaman, he fished out the islands, captured the sun and learned the secret of fire. Mahalo e Maui! ‘Eh, how you did all dat anyway? Through the moʻolelo of Maui, we learn about the origin of our place, the work of our kupuna and the resources needed to survive in our island nation. Maui was an innovator of his time! Using Maui as a model, join this dynamic inquiry-based course to enhance your thinking, communication and presentation skills to share about your innovation that can make our island home better.

Course Description: Grade 6-8 (Upper Division)

NĀ KOA O NĀ KOʻA
Grade Level: 6
Course Number: MS03601 | 8:00am – 3:00pm
ONLINE: Monday
Hui A: Tuesday, Wednesday  Hui E: Thursday, Friday
$400

ʻAhi poke, fried ʻākule, smoked heʻe... oh, so ‘ono yeah? What if all o’ dat ‘ono grindz was gone? We are catching less and less fish each year due to the degradation of our koʻa ecosystems. Join us and be a koa for our koʻa, a warrior for our coral reefs. Conduct action research using traditional and modern methods of data collection. Talk story with experts in our community and across the state, then apply our ‘ike to help design innovative solutions to inspire our communities to join forces with us to protect and sustain our local fisheries.

KŪ KIAʻI I NĀ HONO
Grade Level: 8
Course Number: MS03801| 8:00am – 3:00pm
ONLINE: Monday
Hui A: Tuesday, Wednesday  Hui E: Thursday, Friday
$400

Aloha ‘Āina warriors, activate your activism! Kōkua i nā Hono a ʻo Piʻilani! From ridge to reef there are many ecosystems and the most pressing environmental challenges that affect our island communities require dynamic, kanaka maoli leaders that are innovative and grounded in the ‘ike of our kupuna. Develop your skills in becoming an alakaʻi for our ‘āina and our lāhui. Identify and activate your strengths and talents individually and collectively to research and design an impactful project that generates change in a pono way for Nā Hono a ʻo Piʻilani. Kōkua Maui and the Honua to thrive into the future!

E ‘AI, ‘EĀ?
Grade Level: 7
Course Number: MS03701 | 8:00am – 3:00pm

Come eat! Right? When it’s time to ‘ai at your hale, what kine foods you usually see on your table? Limu? Lauau? I’a lāwalu? ‘Ulu? ‘Uala? Poi? ‘Aʻole? Why not? Maybe you folks like the other kine food better? Or maybe it’s too expensive? ‘Auwē! Come and learn about the unique relationship our ancestors had with the land and our food resources. Investigate the impact that limited on-island food sources have on our economy, our health and our culture. Share in the hana of caring for the ‘āina, harvesting what is needed and preparing those highly prized dishes for everyone to enjoy, then, design creative solutions to inspire and empower our communities to take control of their food choices. E ‘Ai! ‘Eā!
COURSE MENU FOR GRADES 9-12 (Upper Division)

SUMMER 2021

All courses including dual credit offerings are subject to cancellation if the minimum seat quota is not fulfilled or if an instructor is unavailable. We apologize for any inconvenience this may cause.

High School Program

Hālau ‘o Kapikohānaiāmālama offers credit advancement for high school students seeking to earn required and/or elective credit(s). Approved, Early College courses allow high school students the opportunity to earn credits towards both high school graduation and a college degree. Please see our Early College Program section for more information.

Students need to obtain pre-approval for course credits from their home schools to ensure acceptance of credit(s) earned. KSM students can request principal approval for credit courses by submitting the Request of Credit Approval form to the Kula Kiʻekiʻe office. This form be found on the website at: www.ksbe.edu/maui/summer.

Hālau ‘o Kapikohānaiāmālama reserves the right to cancel any class should enrollment fall below minimum allowance or an instructor is unavailable. Course descriptions are subject to change at the discretion of course instructors.

Course Descriptions: Grades 9-12 (Upper Division)

ALGEBRA 1A
Course Number: MS04027
8:00am – 3:00pm; Tuesday & Wednesday
$200
- Open to all high school students
- Math Advancement (KSM)/ 0.5 math credit (Community)

A rigorous approach to solving, graphing and writing linear quadratic, rational, and exponential functions. You will develop mathematical knowledge that will increase your ability to communicate and reason with mathematical concepts. This course offers a solid foundation for further study of mathematical relationships. This is the first semester of ALGEBRA 1.

ALGEBRA 1B
Course Number: MS04025
8:00am – 3:00pm; Thursday & Friday
$200
- Open to all high school students
- Math Advancement (KSM)/ 0.5 math credit (Community)

HAWAIIAN ETHNOBOTANY
Course Number: MS05005
8:00am – 3:00pm; Thursday & Friday and Online
$400
- Open to all high school students
- 1 elective credit

Using Honolua ahupua’a as a living laboratory, and in working with Puʻu Kukui Watershed Partnership, haumāna will acquaint themselves with plants and their influence on Hawaiian culture and history, including plant domestication and agriculture; plant biogeography and human migration; the design and procedures of plant use in religious, medical and lifestyle traditions, inclusive of cultural & scientific aspects of plant conservation.

LIFEGUARDING
Course Number: MS04030
8:00am – 3:00pm; Tuesday & Thursday and Online
$200
- Open to 10th -12th grade students
- 0.5 elective credit
- Prerequisites: Pretest for swimming skills proficiency. All students must be fifteen years of age at or before the start of the course.

The primary purpose of the American Red Cross Lifeguarding course is to provide entry-level lifeguard participants with the knowledge and skills to prevent, recognize and respond to aquatic emergencies and to provide professional-level care for breathing and cardiac emergencies, injuries and sudden illnesses until emergency medical services (EMS) personnel take
over. This program offers a choice of Lifeguarding/First Aid/CPR/AED courses to meet the various training needs of a diverse audience.

Requirements:
- Attend the entire course and participate in all class sessions.
- Actively participate in all course activities, including assuming various roles during scenarios.
- Demonstrate competency in all required skills.
- Pass the final skills scenarios.

This studio course is fueled by creativity. Students should possess the ability to be a self-directed learner; planning and organizational skills; good communication and collaboration habits; and willingness to accept and incorporate feedback from others to iterate your designs. In this course, students will have the opportunity to explore interdisciplinary topics while building their capacity to address large-scale issues and create solutions that have real world impact. Students will be asked to develop multiple solutions to problems and learn the importance of moving from one solution to the next, combining, exploring and thinking of the possibilities. Learning how to explore deeply, how to craft their own plans for structuring and exploring the issue, and how to test new ideas. Working in a feedback-rich environment that provides them with information and support for continuous self-evaluation, reflection, and improvement, students will curate a portfolio of their work inclusive of their process and reflections towards the desired product or service-oriented outcomes. Additional time may be spent outside of class to collaborate with team members and/or community mentors.

PAPA HOʻOKELE WAʻA I
Course Number: MS04004
8:00am – 3:00pm; Thursday & Friday and Online
$400
- Open to all high school students
- 1 elective credit

Wayfinding is an ancient art and science that our ancestors used to travel across vast oceans. This practice was restored in the 1970’s with the help of master navigator Mau Piailug and through the creation of the voyaging waʻa Hōkūleʻa. Now after 40 years of sailing, Hōkūleʻa and a new generation of wayfinders have accomplished what some have thought impossible... A sail around the world! If you are inclined to join in this 2,000 year long moʻokūʻauhau of voyagers, join us and learn to sail Maui’s double-hull voyaging waʻa. Students will be expected to swim frequently. A water skills training session and test will be administered in this course before the students go on the ocean. There will be 2 scheduled coastal sails that may occur outside of normal class time, in which the students are expected to attend and provide their own transportation in order to earn credit for the course.

Due to the ongoing pandemic, we reserve the right to modify, cancel, or otherwise adjust the overnight portion of this course based on guidance from local authorities and KS Enterprise Safety and Student Well-Being.
PHYSICAL SCIENCE
Course Number: MS05010
8:00am – 3:00pm; Tuesday & Wednesday and Online
$400

- Open to all high school students
- 1 science credit

Explore the characteristics of objects and materials that you encounter daily. You will gain an understanding of the nature of matter and energy, including their forms, the changes they undergo, and their interactions. Develop an understanding of the fundamental laws of motion, knowledge of the various ways energy is stored in a system, and the processes by which energy is transferred between systems and surroundings. You will participate in regular in-person labs (with materials available at home or a school lab site), and experience experiments that are supplemented with other virtual reality experiences.

PUBLIC SPEAKING (KS STUDENTS ONLY)
Course Number: MS04022
8:00am – 3:00pm; Tuesday & Wednesday
$200

- Open to 10th & 11th grade students
- 0.5 speech credit

Instruction and practice in the principal modes of public speaking: interpretive reading, informational speech, persuasive speech, debate, and formal presentation with use of aids. Theories of oral communication are introduced, and critiques of presentations are provided.

SURFING
Course Number: MS04020
8:00am – 3:00pm; Thursday & Friday
$200

- Open to all high school students
- 0.5 elective credit
- Swimming experience is mandatory

Piʻi mai ka nalu! E heʻenalu kākou! Surfing has become a world-renowned sport, but it was the sport of our aliʻi before it became a sport for world champions with sponsorships. Learn the history, art and science of surfing, while improving your physical health. Whether you like sponging (bodyboarding), shortboarding or longboarding, grab your board and let’s chase the waves. Students must successfully complete a swim test before participating in water-based activities.

Early College Program

The Early College Program offers a curriculum of intensive study for highly motivated and academically qualified sophomores, juniors and seniors. This unique partnership between Kamehameha Schools Maui and the University of Hawaiʻiʻi-Maui College (UHMC) allows eligible high school students to attend college classes on the KSM campus. Early college courses allow high school students to earn credits toward high school graduation and a college degree. Students need to obtain approval for course credits from their home schools to ensure acceptance of credit(s) earned. Students cannot enroll in KSM early college courses unless UHMC’s Early College Admissions process is completed and all necessary documentation for early admission is submitted to UHMC.

UHMC instructions and forms pertinent to the Early College Admissions process will be available at www.ksbe.edu/maui/summer and must be completed before being considered for any early college courses.

To qualify for the UHMC program, students must complete the Early College Admissions process which includes:

- UHMC Online Admissions Application
- Consent to Release Grades for Early Admit Student to High School form
- Early Admissions Program Application
- Completion of the EdReady placement test(s) with qualifying results eligible for prerequisites of specific courses

UH Maui EdReady placement test(s) available online.

Once you have completed the UHMC Early College Admissions process, your application will be reviewed. Upon approval, KSM will work with UHMC to ensure students receive his/her acceptance notification. Students will be responsible for creating a UHMC username and completing UHMC’s online registration for their UHMC selected course.

Early college courses are taught by UHMC professors. Coursework is rigorous, and students are expected to meet all college course expectations and requirements. It is important to note that once enrolled in an early college course, a student may not withdraw or drop an early college credit course. Grades earned through these courses will be reflected on the student’s college transcript.
Early college courses offered this summer include: Composition I (ENG 100), Digital Tools for the Information World (ICS 101), Survey of Sociology (SOC 100) and Hawaiian Studies 107. These all qualify for dual credit for KSM students. This means that the course will count as a college and high school credit. All other students must check with their home schools if dual credit will be applicable.

These courses will be taught through synchronous or asynchronous methods, which may include “in-person” time at the discretion of the professor, and we reserve the right to modify, cancel, or otherwise adjust the the course meeting arrangements based on guidance from local authorities and KS Enterprise Safety and Student Well-Being.

Early College Credit:

COMPOSITION I (ENGLISH 100)
Course Number: MS04007
ONLINE
$400
Prerequisite: ENG 22 with grade C or better, or placement at ENG 100.
• Open to 10-12 grade students
• All students who complete course will earn 3 college credits
• All KSM students who complete course will earn 1 elective credit

Discovers and applies the concepts of purpose, audience, and tone in writing. Emphasizes evaluating written texts and writing various types of essays, including writing from sources. Focuses on critical thinking.
