Aloha mai e nā mākua ma Maui,

In the spirit of pilina, a value we live by here at KS Maui, the leadership team would like to invite you to an 'Ohana Town Hall, where we plan to discuss in depth the safety measures we've implemented or plan to implement in the future. Our efforts are focused on keeping keiki safe and delivering the best possible in-person experiences and services to our lāhui.

We'll be joined by special subject matter experts from Kamehameha Schools. Topics include:

- COVID safety protocols
- SaferMe contact tracing cards
- Maui Interscholastic League's safety protocols

This will be a great opportunity to get your questions answered by the people who are doing the work to keep our keiki safe.
