

## KAMEHAMEHA SCHOOLS

MĀLAMA OLA HEALTH SERVICES DEPARTMENT

### Checklist for Returning Students Entering High School

#### KS Account

- Login to KS Account via <http://ohana.ksbe.edu/> and access Mo'omō'ali Olakino (EHR).

By **June 1, 2020**, Complete through the parent portal of Mo om ali Olakino (EHR)

#### REQUIRED for All Grades:

- Review and update the Student Health Summary.
- Complete the tuberculosis (TB) risk assessment questionnaire.
- Upload a completed Request for Administration of Medication (RAM) form for each medication. If medication is to be held in the health room and administered by Health Services staff.

#### Recommended for All Grades:

- Upload an updated Physical Evaluation form if there's been any significant change to your child's health, your child has a chronic medical condition, or your child regularly takes a prescription medication.

#### Current and Potential Student-Athletes

If your child is considering or currently participating in any athletic sport(s) during the upcoming school year, a completed Physical Evaluation form continues to be required. A sports physical will temporarily be required every 24 months, instead of every 12 months. If you are uncertain regarding the date of the last physical exam, please check the EHR parent portal.

- REQUIRED for All Student-Athletes: Upload an updated Physical Evaluation form at least every
- 24 months.

- Recommended for All Student-Athletes: Upload an updated Physical Evaluation form if there's
- been any significant change to your child's health status or activity restrictions, your child has a chronic medical condition, or your child regularly takes a prescription medication.

Please contact your child's health room nurse if you have any questions or concerns:
