MĀLAM A OLA • HEALTH SERVICES DEPARTMENT

Checklist for Returning Students Who Will Be In High School SY21-22

KS Account

- Login to KS Account via <http://ohana.ksbe.edu/> and access Mo'omō'ali Olakino (EHR).

By June 1, 2021, complete through the parent portal of Mo'omō'ali Olakino (EHR)

All Returning Students:

- Complete the tuberculosis (TB) risk assessment
- Review and update the Student Health Summary.
- If applicable, upload a completed Request for Administration of Medication (RAM) form for each medication to be held in the health room and administered by Health Services staff or designee. Controlled substances including common ADHD medications require a RAM.

Only Returning Students entering **GRADE 9 or 11:**

- Upload a completed KS Physical Evaluation form with the date of the physical examination on or after **July 1, 2020**. The KS Physical Evaluation form must be used.

Prior to participating in athletics

All Student-Athletes

- Upload an updated KS Physical Evaluation form at least **every 13 months**. The KS Physical Evaluation form must be used. If you are uncertain regarding the date of the last physical exam, please check the EHR parent portal.

Please contact your child's health room nurse if you have any questions or concerns.
