

KSK Po‘o Kula Search Updates

Aug. 29, 2025

Aloha e nā kumu a me nā limahana o Kapālama,

Mahalo nui to everyone who welcomed to our KSK campus Educators Collaborative, the executive search firm supporting our po‘o kula search. The rich conversations shared were both astute and heartfelt, providing a strong foundation for the journey ahead. Your openness, thoughtfulness, and commitment are helping to ground this important work in the values, expertise, and aspirations of the KSK ‘ohana. A special mahalo also goes to the KSK Po‘o Kula Review Committee for the thoughtful preparation and hosting of Educators Collaborative’s campus visits.

To build on these meaningful experiences, we invite all members of the KSK campus community to share your mana‘o through a [short questionnaire](#). This link will be open through Wednesday, September 10. Your input will help inform the qualities and skills we seek in the next po‘o kula. All responses will be anonymous and confidential.

We are also preparing a dedicated web page to keep you connected throughout the search. This resource will provide updates, timelines, and opportunities to stay engaged as we move forward together.

If you have additional mana‘o or questions, please connect with your Review Committee representative(s), email us at ksksearch@ksbe.edu, or reach out to Carol Santos at csantos@educatorscollaborative.com. Every perspective strengthens this process, and we mahalo you for the care and thought you bring to shaping the future of Kapālama.

Me ke aloha nui,

Kēhau Abad, PhD
Vice President, Uluhiwa Strategy and Experience
