PARENTS OF THE CLASS OF 2021

Aloha kākou!

I mua e nā poki‘i a inu i ka wai ‘awa‘awa. Never have the words of our namesake been so appropriate. But, alas, the worldwide pandemic has asked this of us all: To move forward and drink of the bitter waters. The loss of our traditional graduation is indeed bitter water to drink, but we will, “I mua Kamehameha ē a lanakila”!

Commencement, with all of its activities, marks the culmination of thirteen years of schooling and a new beginning for your sons and daughters. This is an exciting moment for the graduates, their families and their friends. While we at KS fully understand how important this rite of passage is for our graduates and their ‘ohana, we cannot in good conscience hold a traditional graduation ceremony. We would hate to jeopardize the health of any member of our ‘ohana, especially our kūpuna. We have instead, created a unique and, one of a kind week-long celebration honoring our graduates. This memo includes a complete list of all commencement activities in which our students and ‘ohana will be able to participate. All commencement activities are completely optional. In addition, important information and guidelines for each event is included.

** Note: The above senior events will operate under the strict protocols and guidelines established by the Governor, City & County of Honolulu, CDC, WHO, and our own KS Mālama Ola staff. We kindly ask for everyone's understanding and cooperation in upholding these protocols and guidelines.*

We ask that all graduates and guests carefully read through the important information for each commencement activity. Thank you in advance to everyone for their kind understanding and cooperation to assure that these events are safe for all involved. We are so grateful and excited that we can offer an exciting celebration honoring this mighty Class of 2021.

In addition, we are sharing information regarding a tradition at Commencement that began in 2009. Seniors are gifted with a specially designed kīhei (a traditional Hawaiian ceremonial garment) in honor of their graduation. Enclosed is an information sheet explaining the design and significance of the kīhei.

If you missed the opportunity to take your Pauahi portrait photo, we will offer a final session during the specified dates above. Sign-up is mandatory to reserve your spot. Students must be dressed in their dress whites (shoes, too!) and come prepared with their completed order form (enclosed) and payment!

Reminder, deadline to register for the Baccalaureate Service, Graduation Drive-Thru Celebration, and Commencement is **Monday, May 17 at 8:00 pm**. Mai mili ‘apa!

As a final reminder, please note that for ALL events students who experience any symptoms of COVID-19 for 1–3 days, even if at home and not missing in-person learning, must provide a doctor’s note or negative COVID-19 PCR test collected after the onset of symptoms to Hale Ola prior to the student’s return to school or school activities. A doctor’s note continues to be required for return following four or more days of illness.

For any further questions, please contact Special Events Coordinator, Andrea Los Baños at anlosban@ksbe.edu.

We look forward, as I am sure you must, to this exciting period in the lives of the members of the Class of 2021.

I mua!

KALAMAKŪALI'I

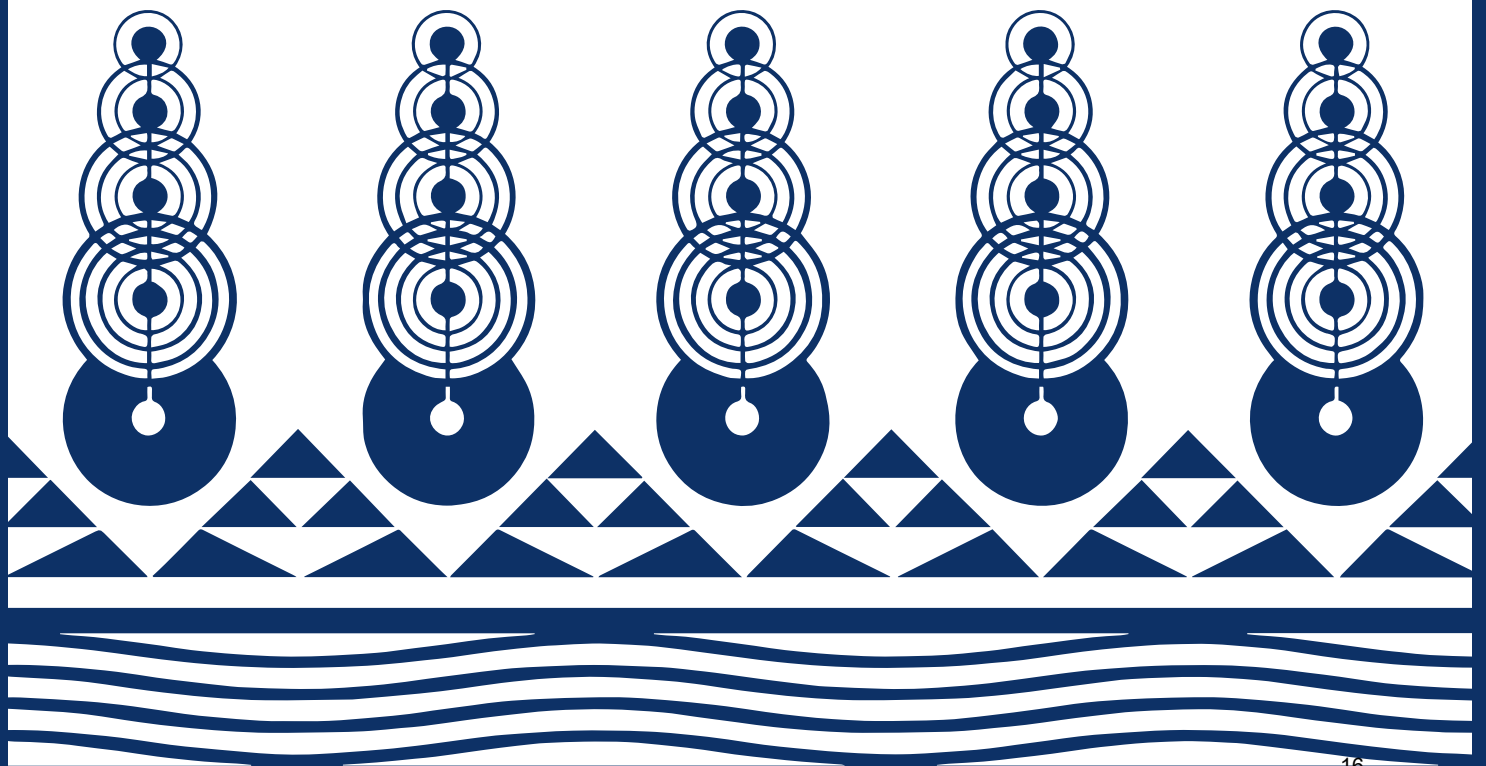

THE ROYAL LAMP

Kamehameha Schools Kapālama marks this special occasion with a kīhei, a traditional Hawaiian garment, gifted to each graduating senior. Having successfully completed our graduation requirements, they have earned the privilege and honor of receiving this special kīhei as a symbol of their passage into the next phase of their lives.

“Kalamakūali'i—The Royal Lamp” was designed by Visual Arts teacher Carl Pao in collaboration with a committee of other high school staff members with expertise in Hawaiian language and culture. The symbols in the design have significance for our school and its location on the heights of Kapālama, the piko (center) of our graduates' formal education over the past few years.

The lamakū, or kukui nut lamp, symbolizes enlightenment or the acquisition of knowledge and wisdom during our graduates' time with us. The four kukui represent each grade level of the high school, joined by a nī'au (coconut midrib) which is anchored in a pōhaku (stone). What we see of the pōhaku is a shape that resembles an 'ahu'ula (shoulder-length feather cloak) that represents Pauahi, our Founder and Benefactress, whose generosity created tremendous educational opportunities for our graduates. The brilliance of the light has grown stronger as they have passed from one grade to the next. We hope that our graduates will continue to add kukui, gaining greater enlightenment in their lives beyond Kamehameha, but always be firmly connected to the piko of Kapālama.

The wavy lines at the bottom of the design represent wai (water), a source of life and knowledge, and symbolize the underground waterway that once flowed through lava tubes and connected Keanakamanō (The Cave of the Shark) Valley at our campus' main gate with Pu'uloa (Pearl Harbor), Oceania and the rest of the world. Our mo'olelo (stories) say that the Hawaiian god Kamohoali'i traveled this waterway in his shark form to Kapālama. The chevron shapes represent a shark's teeth and also the island of O'ahu.
